

Have You Joined Our Christmas Club?

No Matter How Little You Have to Spend

You may well consider a flowering plant, a box or basket of flowers, or let us telegraph your Christmas greetings with Flowers to cheer up a loved one far away.

Let us bring the real Yuletide Spirit into your own Home with one of our Holly Wreaths, made of fresh cut Delaware Holly, a red berried table centerpiece, a few lovely Roses for the wife, bright Poinsettias or charming Cyclamen Plant for mother, a Violet or Gardenia Corsage for sister or sweetheart, with a bunch of Mistletoe tied with holly red ribbon, or a Plant Basket to bring a smile into the sick room.

Will there be a live Christmas tree in your home this year? Why use a cut tree when for just a little more you can purchase one of our home grown trees to be planted out after the holidays?
