WORKACE WOODWORKER

The Workace Woodworker is a full fledged electric tool chest—a rugged he-man machine that performs practically every woodworking operation. There is a 4" Planer, an 8" Circular Saw, a 6"x36" Lathe, an 8" Disc Sander, a 6" Buffer, a 5" Emery Grinder, a 1/4" Drill and a Jig Saw. All these machines with enough power, strength and capacity are ready to do any job you put to them.

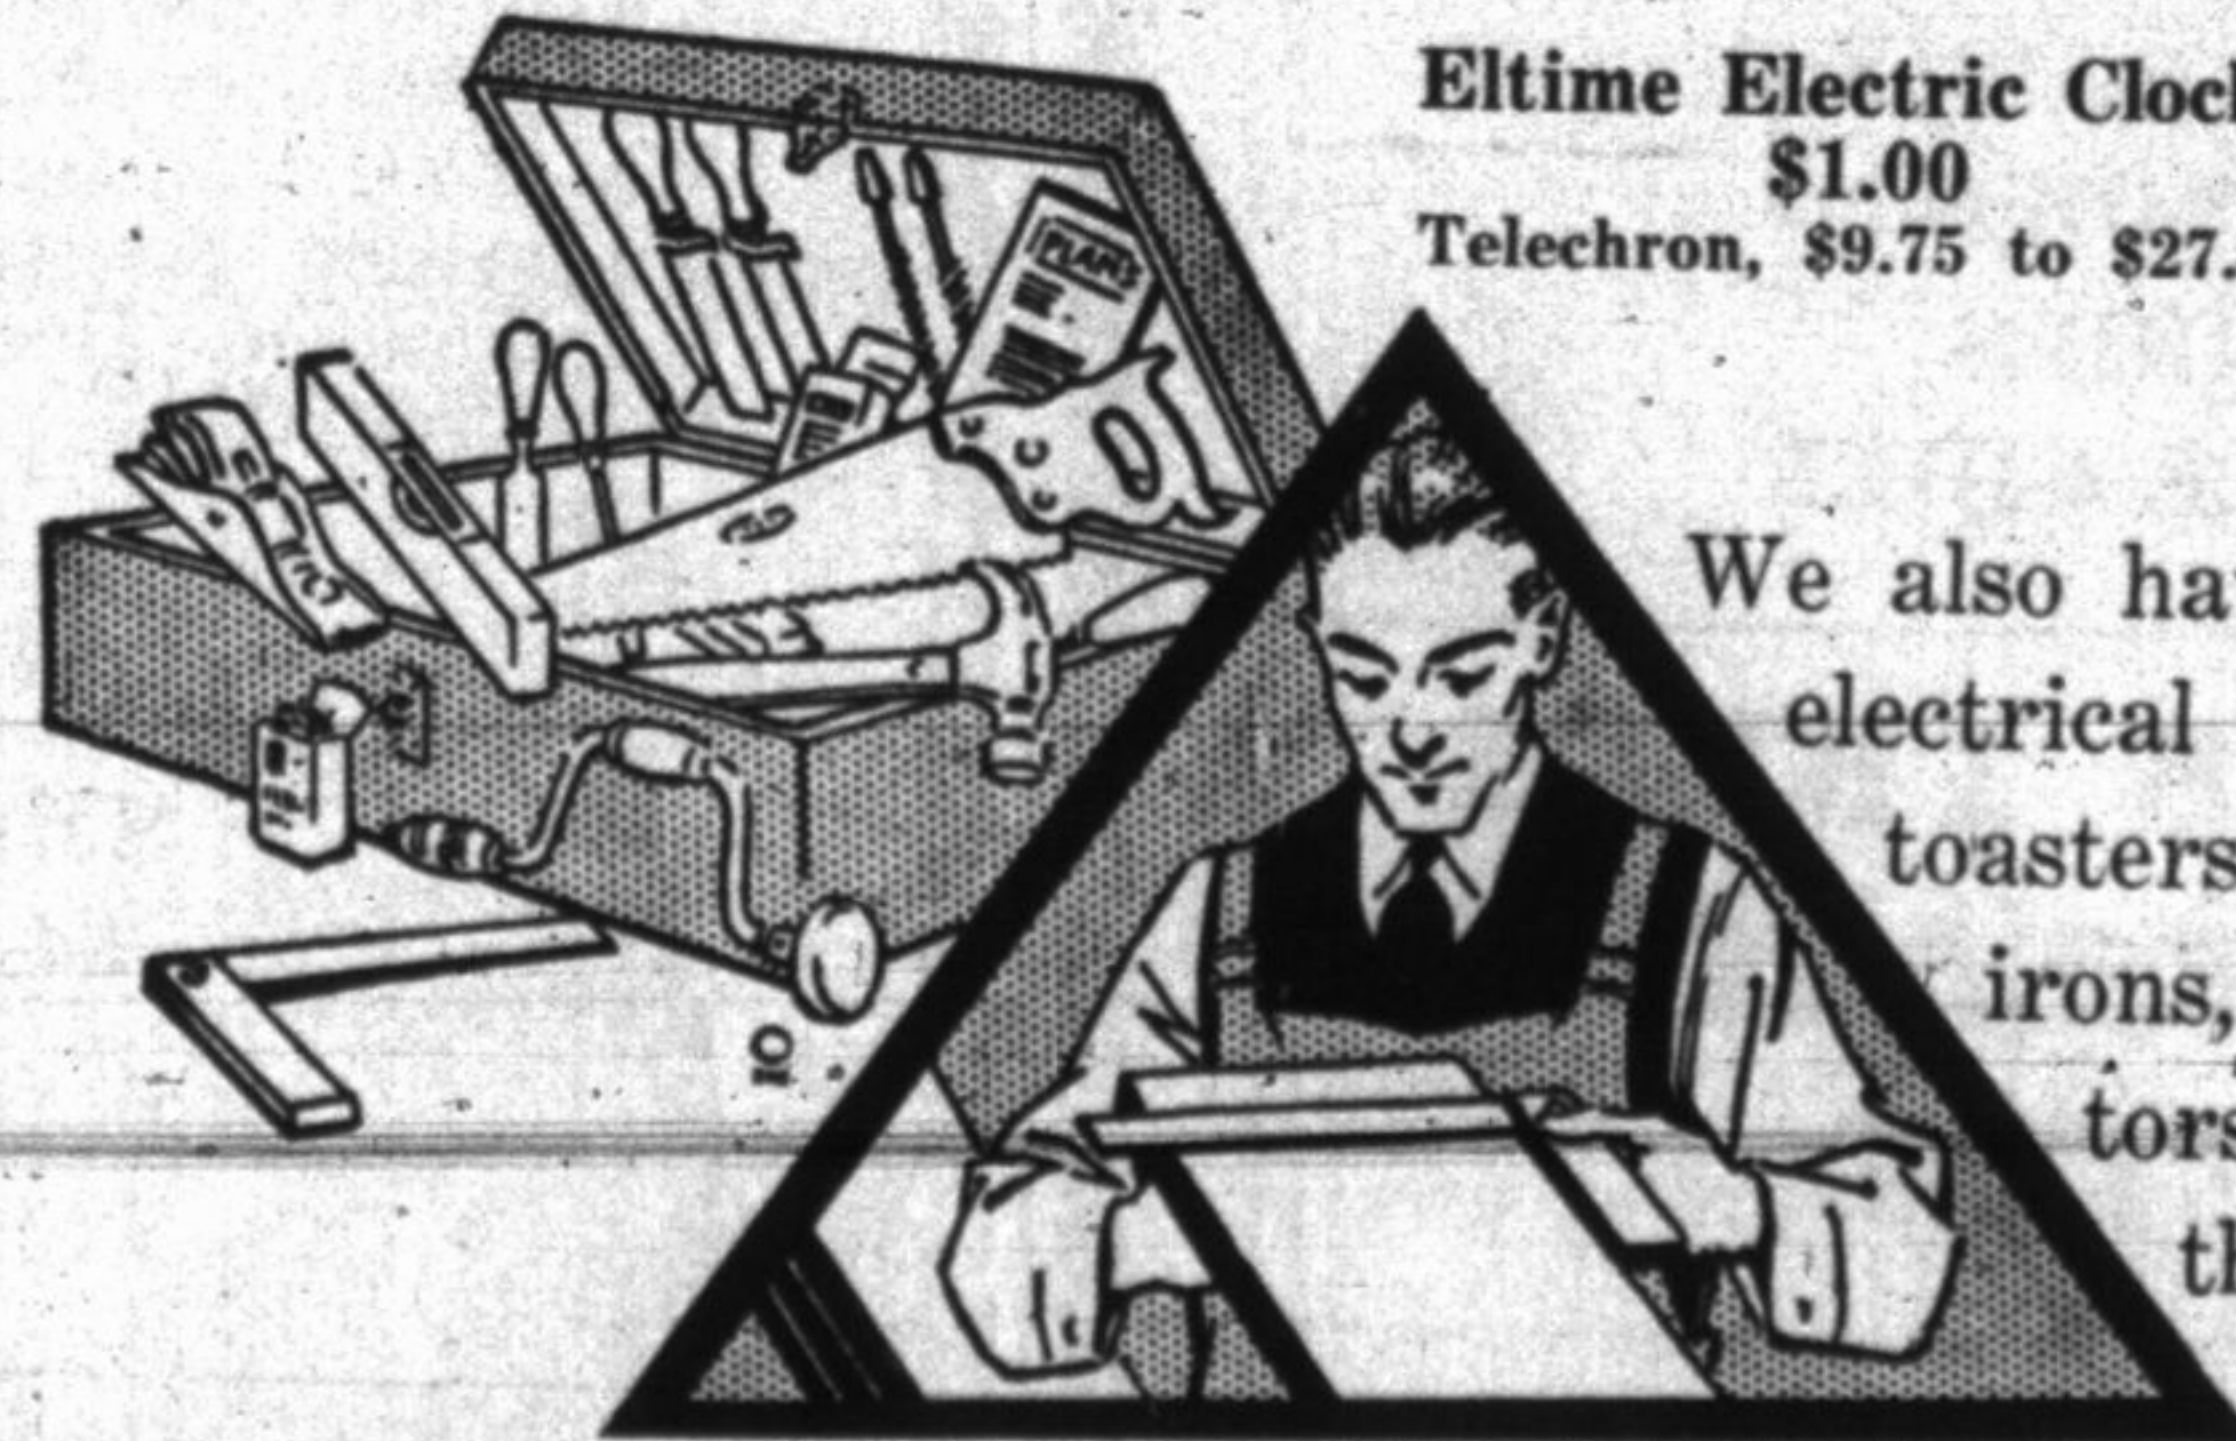

The Workace is portable—can easily be moved from place to place. The motor operates from the electric light socket.

You'll be mighty proud of your Workace Woodworker—whether you give it to your boy, use it as a hobby, start your own business or use it in your shop. It's a real machine from start to finish. Beautiful to look at as well as to work at. Main body of machine finished in taupe with trimmings in black, providing attractive contrast.
