G. E. Model K 62

FULL RANGE CONSOLE

Here is a radio in great demand today. Brown walnut cabinet, carefully constructed of matched wood. A handsome piece of furniture. The radio represents the height of achievement in radio construction. Its reception is unequalled because of the 9 tube Junior De Luxe chassis. Automatic volume control limits static and brings in all stations with equal volume. Chassis shielded. Translucent dial. Calibrated. Size 43x27x14 in. Complete with tubes

\$124.75

Midget Radios **\$37.50**

Manufactured and guaranteed by General Electric. Meeting the need for a small economical radio that will give satisfaction. Complete with tubes.

FLATPLATE IRONER

You simply must see this ironer. It will save you hours and do a better . . . a far better job of all your laundry. Here are ten big points about it. 1—Irons everything. 2—Nothing to lift. 3—Three times as easy. 4—Half the time. 5—Twice the pressure. 6—Smoother, crisper finish. 7—Won't break buttons. 8—Automatic heat control. 9—Presses clothes, too. 10—Guaranteed by General Electric

\$119.50

Grandfather Clock

FULL RANGE RADIO

The old romance of a grandfather clock combined with the modern science of radio. Now for the first time authentic reproductions of Colonial grandfather's clocks. Handsome pieces, that will give years of service. The radios combined with them are full range G. E. embodying all the qualities that made General Electric radios outstanding in the field. See these unique pieces at a range of pleasing prices.

SUN LAMP

This new wall model is ideally suited for bathroom installation. Light in weight. Easily installed. Silver bronze finish. Uses the new type S-2 lamp. A home aid to health.

\$26.50

General Electric

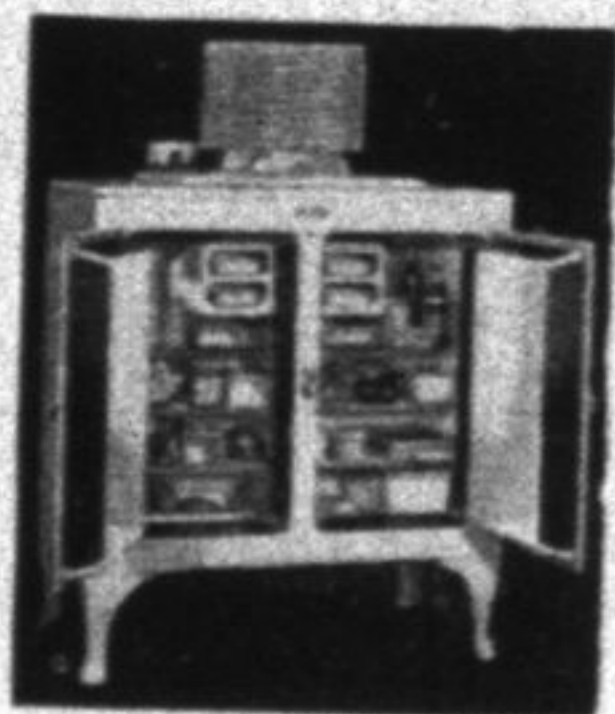

WASHERS

Providing a modern, efficient means of cutting wash-day drudgery. Tubs of generous size. Entirely sanitary. The new principal of "Activation" produces an unusual cleanliness in clothing in a very short period. Powered by 1/4 H. P. General Electric motor. Many other interesting features.

\$99.75 up
