Cries of joy and rapture from the throats of over three hundred children greeted the Christmas tree and fireplace at the first annual children's Christmas party of the Dumaresq Spencer post held Sunday evening, Dec. 19, at Elks hall, at Laurel and McGovern streets, Highland Park.

The towering tree generously decorated with ornaments and presents drew every eye as the doors opened. At one side of the stage was a huge fire place lighted by glowing electric candles and hung with an assortment of stockings. The hall decorated with striking festoons of red and green to complete the holiday spirit of the occasion.

The Christmas Carol Quartet (Mrs. Max Muller, Mrs. Oscar Iverson, William Bowden, and Thomas Thompson) sang several well-received Christmas carols. The children heartily applauded the familiar tunes and asked for more.
