

Happy New Year

You can
"get by" with
a last year's
frock—but not
with a
Wave!

*Our entire
price list is
revised to ac-
commodate re-
duced incomes.*

HOWEVER else you are economiz-
ing, don't skimp on your hair.
Remember, your crowning glory de-
termines the keynote of your whole
appearance. Spare a mere dollar for
a wave set every week and you'll al-
ways have an air of prosperity.
