Buy U. S. Made Skates Plea to Skating Fans

The Amateur Skating union of
 the United States has adopted reso-
 lutions approving a nation-wide
 campaign to stimulate the purchase
 of American-made ice skates in
 preference to products made in
 other countries. Those promoting
 the campaign including the Illinois-
 Western Skating association, em-
 phasize that American-made skates
 are far superior to brands made in
 other countries and American man-
 ufacturers are thoroughly qualified
 to supply the American market
 which is larger than the markets
 of all other countries combined.

The plea for the purchase of the
 American-made product is made to
 skating associations, dealers and
 manufacturers, primarily on the
 basis of superior quality and the
 necessity to purchase American-
 made products in the interest of
 providing work for American labor
 and thus hastening the return of
 prosperity.

ERNEST MAYER ALSO WRITES TO GOVERNOR

(Continued from page 3)

these bonds to the extent the peo-
ple believe."

Senator Gore of Oklahoma inter-
rupted:

"Yes, it is Tom, Dick and Harry
who have taken the losses."

Lamont replied: "It is true that
upon the great investing public has
fallen the brunt of the declines, and
not upon the banks."

Governor, can you, the Attorney
General of the State of Illinois, or
the President of the United States,
or the Secretary of the Treasury
explain how the banks are immune
and the public holding the bag?

Would it be possible to use the
funds that have been created by
high taxes of the modest home own-
ers and the farmers to allow them
the use of these funds in the re-
newal of their mortgages for the
time being upon a 4% interest bear-
ing basis? The bankers and the
bank examiners have considered
these sacred loans as frozen assets,
and surely they would not object to
provide through your leadership
ways and means to liquidate these
loans upon such terms and basis,
and, do you agree with me Govern-
nor, that this would be far greater
at this time than using these funds
for building roads or for the
World's Fair in Chicago? I believe
in good roads, I believe in the
World's Fair, but foremost of all,
I believe in immediate relief for
this class of people I am pleading
for with you now.

Governor, neither you, the Presi-
dent of the United States nor the
writer can take with him from this
Earth more than he brought, and
the citizens of the State of Illinois
have been mighty good to you Gov-
ernor, for they have kept you in
Springfield for a great many years
as they undoubtedly have most ex-
plicit confidence in you. It is not
too late Governor, to keep and main-
tain that confidence, and no one
knows better than the writer that
this will be, during this season of
the year, your utmost thought and
consideration. Far be it from me,
Governor, to take it upon my should-
ers to dictate or advocate the way
and means to do this.

However, it is my honest opinion,
that there is more good in all of us
than there is bad, and I ask for no
greater opportunity to serve my
fellow-men, than to devote all my
time and energy to work out a solu-
tion for the good of all humanity
laying aside politics, greed and sel-
fishness.

If I can be of any service to you,
do not hesitate to command.

With compliments of the season.

Cordially yours,
ERNEST MAYER.

Close Games Feature in Bowling League

Last week some of the closest
matches ever bowled in a league
in Highland Park were bowled when
Inman and Rafferty tied with J.
Picchiatti and R. Turelli in the Busi-
ness Men's doubles tournament at
the Majestic Bowling alleys. In-
man's team rolled 1195 pins to 1198
of Picchiatti's team. John Pic-
chiette took high score with 267 for
the individual game.

Rafferty and Inman took high
team game with 463 while Pic-
chiette and Turelli were close be-
hind with 461. This is considered
wonderful bowling and matches such
as these are very seldom to be seen.

Ori and Guerri's team won 3
points from Carani and Minorini.
Both of these games were over 400,
the totals of the three game series
being, 1136 to 1103.

In the third game of the doubles,
A. Picchiatti and Sheahan won 4
points from Sobey and Nielson, the
scores being 1241 to 1074. Shea-
han's team averaged over 200 in
their three game series. A great
deal of enthusiasm is being shown
in the league and spectators are
crowding the alleys on Tuesday
nights to watch the league, which
is becoming very exciting.

Next Tuesday Lakey and A. Pic-
chiette meet Carani and Sheahan;
Rafferty and Inman bowl Turelli
and J. Picchiatti; while Ori and
Bernardi meet Rafferty and Inman.

Joe Guerri won the Majestic
weekly prize for high schore by
bowling 243.

Milk Price Cut to 12 cts. Quart Jan. 1

Lake county producers, dealers
and consumers of milk go on a new
price schedule next Friday morning
when bottled milk will be sold in
Lake county towns, as well as in
Chicago, at 12 cents a quart instead
of the present price of 13 cents a
quart, according to the Waukegan
News-Sun.

The price change, agreed to under
protest on the part of the milk pro-
ducers, is effective only on quart
bottles while the farmer sells his
entire output at a reduced rate
based on the 100 pound price.

Dealers are also accepting a cut
in their profits although it does not
amount to as much as the cut taken
by the producer. The reduced price
to the consumer is expected to re-
sult in a considerable saving, but
farmers are figuring on greater
sales at the lower price and hope to
dispose of the surplus which at pres-
ent goes into butter and cheese.

Steve Michalowski, 38, years old,
1511 Victoria street, North Chicago,
and his three young daughters were
saved from asphyxiation at their
home last week when their mother
returned from work to find the four
in a semi-conscious condition in the
living room.
