Corporation Counsel Gail presented his opinion, together with citations of law with reference to the bill of J. V. Norcross for professional services in the McCrystle case and recommended that the bill not be allowed.

Mr. Norcross presented law and argument for payment of the account verbally after which there was general discussion and argument between Mr. Gail and Mr. Norcross.

Commissioner Gourley moved that the opinion of the Corporation Counsel be received and placed on file and that the bill again be referred to the Corporation Counsel for further recommendation. The motion prevailed.

The communication from the Zoning committee, together with copy of letter from Henry F. Maechtle with reference to a permit for remodeling a garage on Homewood avenue was referred to Commissioner Zimmer and the Corporation Counsel.

Report Sale of One Piece of Property Here; More Inquiries

McGuire and Orr report sale of the brick residence at 1897 Burton avenue, Highland Park by Marie E. Kiefer to William R. Anderson. Mr. Anderson is in the wholesale jewelry business in the Pittsfield building. The residence contains seven rooms, brick construction with tile roof and an attached garage, lot 50x175.

McGuire & Orr report a stronger inquiry at this time than a year ago. It is quite evident that the north shore has suffered less during this depression than almost any other location in or around Chicago; the principal reason being that "There is only one north shore," which proves that investment in residential property in that district, by reason of its limited supply, has demonstrated it to be one of the soundest forms of investment that is offered.

Inter-City Ping-Pong Tournament January 16, Inter-Fraternity Club

Final selection of the men who are to meet the New York Ping Pong team at the Inter-Fraternity club on Jan. 16, has just been announced. After more than a month of tryouts the North Shore emerges with three of the five men selected to play. Capt. Coleman Clark of Glencoe, Dougal Kittermaster of Highland Park and J. B. Leininger and D. W. McEwan of Chicago will play the singles. Leininger and Coleman Clark will pair up as one doubles team while Robert Clark of Highland Park and D. W. McEwan will take care of the rest of the doubles.

The tournament is to be divided into two sections. In the afternoon at two o'clock there will be an individual tournament to determine the singles championship from this group. In the evening at 8 o'clock the competition for the Parker Cup will be played. This trophy donated by the American Ping Pong association becomes the permanent possession of the city winning it three times.

Although tickets have just been offered the public already more than half the reserved seats have been sold. Tickets may be had at the Inter-Fraternity Club, 106 South Wabash avenue, Chicago, or at A. G. Spaulding's.
