THE NEW PONTIAC SIX Brings the Important Developments of the Year to the Low-Price Field

Value takes on an entirely new meaning with the new Pontiac Six just introduced. Here you'll find real riding comfort, great speed and power, smart styling, at extremely low first-cost and low running cost.

The transmission is Syncro-Mesh for effortless shifting. The new second gear is quiet. Then you have free wheeling . . . all three of these improvements at no extra cost. There's a big, powerful motor for extra speed, extra pick-up, extra stamina.

Comfort is notably advanced—Ride Control to adjust shock absorbers as you drive; long wheelbase; rubber cushioning at 47 chassis points; enclosed springs.

Interiors, too, present unusual values . . . rich, well-tailored upholstery, easy-reading clock-type instruments, tasteful appointments. See this new Pontiac—ask for a demonstration. You'll agree it is an outstanding General Motors value. G. M. A. C. terms, if you wish.

THE NEW PONTIAC V-8 Offers the Distinction of V-8 Performance at a List Price under \$850

Only "luxury" cars have offered the brilliant, reliable V-type motor. Now you can have it in Pontiac V-Eight at a list price below \$850!

And with distinctive performance you also get Syncro-Mesh, quiet second gear, free wheeling, Ride Control. . . . Weight and length are what a powerful, fast car requires for fine balance and roominess. Fisher craftsmen have contributed striking body design, rich interior finish.

If you have owned smaller, less capable cars, Pontiac V-Eight will advance all your motoring standards without greatly increasing your expenditure. If you have driven expensive cars, Pontiac V-Eight will give you most of the same advantages at far lower cost.

Let us show you how this remarkable car combines engineering leadership and true riding luxury at a price never before known in automotive history.
