**Several Elections in 1932 in Which Voters Cast Their Ballots**

Lake county voters will go to the polls at least five or six times in 1932, according to the election dates announced by county and city officials.

Many vital political and administrative questions will be settled at the polls by the electors in their selections of candidates at the primaries and later at the elections.

**Elections Varied**

The voters will choose, beside president and other national officers, state officials, township officers, municipal office holders and board of education members.

In Waukegan a city primary election will be held March 8, and the city election will be April 19. In Lake Forest the city election will be on April 12.

In townships voters will elect a road commissioner and school trustee. Every township in Lake county will choose similar officers on April 5.

**School Election in April**

On April 9 voters will choose members for the boards of education.

Then will come the county, state and national primary on April 12, when the electors will select party candidates for the November election.

The six times that the voters go to the polls will cost the taxpayers of Lake county approximately \$30,000. Judges of election and clerks will have more than 3,000 days of work.

**Stratton Is Candidate for Re-Election Also**

William J. Stratton, of Ingleside, secretary of state for the past four years, is definitely in the race for re-election, his petitions having been put in circulation.

Stratton stated in announcing his candidacy that he will seek re-election to office on his past record as secretary of state.

Thus far, he is unopposed by candidates of any major Republican faction.

Stratton offered a startling announcement to official Springfield six months after he had taken office to the effect that he had earned \$7,000 interest on money handled by him which he turned in to the state.

He has made a practice of remitting the moneys collected by his office to the state treasurer twice each month and is the only secretary of state in Illinois who ever returned interest on moneys handled through his office.

**Dr. Yarrow Speaker at Laurel League**

The Laurel league, which meets at the Bethany Evangelical church, will have Dr. Philip Yarrow of Chicago as their speaker on Thursday evening at 8 o'clock. Dr. Yarrow heads the Illinois Vigilance Society and is active in fighting the interests of vice and illicit literature in Chicago. He will have many interesting experiences to relate. All men not interested in a similar men's organization are invited to come. The Prairie View band will furnish special music.
