Basement Meeting Place

The Scouts of Troop 24 have done wonders with their troop room in the basement of the Sacred Heart church in Hubbard Woods. Above is picture of one of the four patrol corners and shows the ingenuity and work they have put to making a real Scout room out of an unfinished basement. The men of the church got together with Father F. J. Haarth and Father Grant of the parish and arranged to rebuild the basement for the Scouts' use. With a little excavating and building, the room was turned over to the Scouts to finish as they pleased. The Scouts, under the leadership of Scoutmaster Robert Mehren, wasted no time in decorating the walls, building their rustic patrol corners and making as fine a Scout room as any on the north shore. The Scouts are rightly proud of their room.

Mr. Harry Roberts is the assistant commissioner for Scouting in this church. On their Troop committee for 1931 headed by T. J. Condon, were F. A. Bonne, H. L. T. Bouscaren, Wm. J. Schneider, George B. Walkey, and James J. McNulty. For the 1932 committee, Mr. McNulty is to be the chairman.

The Bob White patrol is shown above studying tests by Buddies in their patrol corner. The boys are: (left to right) Francis Betzler, Ed Bagely, Ryerson Gates, Monroe Schram, Edw. Brezzolani, James Pearson, Don Smith.

NORTHBROOK TROOP EARNS BANNER

Boy Scout Troop 28 sponsored by the St. Peters Evangelical church of Northbrook has reregistered for 1932 and will soon be awarded the charter for their second year. The troop was started in December, 1930. In addition to receiving their charter this troop will for the second time receive the 100 per cent Boys Life banner awarded by National Scout headquarters when every Scout in the troop takes Boys' Life Magazine given to them at the half price of one dollar.

Following is the complete organization of the troop: Scoutmaster Frank Harms, chairman troop committee; Edwin L. Grises, members—W. F. Christman, Louis Borchardt, Henry F. Mueller and Armin Zizer. The Scouts are: Emil Bucher, Clarence Cameron, Earl Cameron, Ralph Dehne, John Harms, Clarence Meier, Clifford Mueller, Gilbert Mueller, Norman Rugen, Vernon Rugen, Bill Scott, Arthur Truelsen, Walter Wandroik, and Donald Werhane.

TO FEATURE "SERVICE" IN ANNIVERSARY WEEK

Here is a copy of the Bulletin sent by Region Seven Scout executive to the 102 Boy Scout council covering the four states in Region Seven, including Wisconsin, Michigan, Indiana and Illinois. This news will be ultimately spread to practically every Scout in the Region. Very soon the National Boy Scout Bulletin, circulated throughout the whole United States, will also carry an announcement of this increasingly popular Scout broadcast.

COMPLIMENTS SCOUT BROADCAST

Chicago, Illinois
February 3, 1932
A special Boy Scout broadcast program is

being put on each Monday evening from 7:00 to 7:15 p.m., Central Standard Time over Station WIBO (Top of the Dial). This broadcast is being staged by the North Shore area council, under the direction of Scout Executive Myron C. Rybolt, and personal leadership of Eagle Scout George Bersch. It features a splendid program in the nature of a regular troop meeting by Troop 111 of the air.

Since WIBO is one of Chicago's important stations reaching all parts of the United States, and because the quality of the program is of such good nature, we feel that the councils of Region Seven will want to know about this broadcast so that they can advise their boys and constituents to listen in.

Walter M. Kiplinger,
Regional Scout Executive.

SCOUTS TO MARK BICENTENNIAL

Although the Bicentennial celebration of the birth of George Washington will not be formally launched until later in February, honor to the memory of Washington will have a foremost place in the Scout week celebration of the Boy Scouts of America throughout the United States. Scout week occurs 7-13, 1932, Monday, Feb. 8th being anniversary day. This is the twenty-second birthday of Scouting, which was formally incorporated in Washington, D.C., on Feb. 8, 1910.

Because of the outstanding character of George Washington the anniversary has been emphasized in the posters which have been issued by the Boy Scouts of America for Boy Scout week and also in the varied programs of activities which will be carried out in various parts of the United States during that week.

The Scouts of the North Shore area Press club are distributing the above mentioned posters throughout the entire council.

Washington stood for service, as is pointed out in a recent bulletin issued by the national office of the Boy Scouts of America in New York, in connection with the Bicentennial anniversary. The same bulletin added that if any man ever gave patriotic, whole-hearted and thorough-going service to his country, it was Washington. His was the type of participating citizenship which Scouting seeks to inculcate.

Reports made to President Hoover, the Honorary President of the Boy Scouts of America, and other honorary and national officials of the organization, indicate an outline of service in behalf of the relief of the needy and unemployed during the past few months on a scale heretofore unequalled in the history of the Movement, and rivalling the tremendous service which Boy Scouts did during the period of the World war in promoting the sale of Liberty Bonds and War Savings Stamps as well as in food conservation.

All leaders of the Movement have been urged during the forthcoming period of the celebration of Boy Scout week, the twenty-second anniversary of the Movement, from Feb. 7-13, to take on special service projects where possible for further and additional relief. The North Shore area council is con-

tinuing their monthly old paper collection which has already earned nearly \$2,000.

Radiating out of more than 300 Boy Scout council centers of the United States, service projects have been carried on in more than a thousand communities, from rural villages to metropolitan areas. Scarcely a day in recent months has passed, according to reports received at the national office of the Boy Scouts of America in New York City, in which account has not been given of some outstanding service rendered to others by Boy Scouts.

Literally, hundreds of tons of clothing have been collected in cities and turned over to welfare agencies by whom the services of the boys are being directed in most cases. In one city alone more than 4,000 Scouts assisted in such a project. In another city where special funds were being raised for the relief of the needy, Boy Scouts in one day distributed 750,000 circulars. In a number of cities boys, from their own troop funds, which they contributed, bought vegetables, groceries and other food supplies which were made up in baskets at Christmas and Thanksgiving for the poor and the needy.

NORTH SHORE SCOUTS TO MOBILIZE FOR PAPER COLLECTION

The Scouts of the North Shore area council consisting of the villages from Wilmette to Lake Forest on the shore and from Glenview to Libertyville on the west north shore, will respond to a mobilization call from their commissioners, and scoutmasters on Saturday, Feb. 13th as part of their celebration of Scouting's twenty-second birthday week. At 8:00 o'clock Saturday morning the leaders will call the Scouts to assemble in their respective districts and immediately check their organization for their third monthly old paper and magazine collection. The Scouts will spend the morning in a house to house canvass for the papers and in the afternoon trucks donated by the local business concerns will collect the paper placed on the curbs by the Scouts. The money from the sale of this paper goes 100 per cent to the local relief organizations. Already about \$1800 has been earned by Scouts in their first two collections in December and January. Wilmette recently turned over a \$223 check and Northbrook an \$81 check to their local relief funds. About 200 tons of paper has been collected so far and is rapidly being delivered and sold to the Pioneer Paper Stock company of Chicago.

The volunteer district commissioner in each of the eleven districts is in direct charge of the mobilization and paper collection. They are: Wilmette: Fred S. Rye; Kenilworth, Roy Jarrett; Winnetka, R. B. Brown; Glenview, Keith Roberts; Highland Park, J. B. Jackson; Highwood, Paul Muzik; Lake Forest, Robert Roeder; Libertyville, A. E. Johnson; Deerfield, Homer Cazel; Northbrook, Oscar Mueller and Glenview, W. Engstrom.

MANY TROOPS WIN AWARDS

Many Cub Packs, Scout troops and Sea Scout Ships were awarded the Attendance Trophy at the annual banquet of the North Shore Area Council held at New Trier high school on Tuesday, Feb. 2. The award was presented to every unit working up a delegation of people equal in size to the number of registered boys in their unit. This award stimulated a great deal of interest and re-

sulted in a very large attendance of 1100 people at the banquet. Those units winning the award are: Ships: 21 Glenview, John Betak, skipper; 43 Wilmette, Percy Arden, skipper; 64 Northbrook, Irl Andrews, skipper; 26 Winnetka, John Roos, skipper. Troops: 4 Wilmette, David C. Leach, scoutmaster; 10 Wilmette, Irving Heller, scoutmaster; 28 Northbrook, Frank Harms, scoutmaster; 61 Northbrook, W.
