### Ravinia Woman's Club Interesting Program

Mr. Carl Halltshammer, wood carver, was guest artist at the February meeting of the Ravinia Woman's club, which was held at the Village house Wednesday, Feb. 10.

Mr. Halltshammer who is internationally known for his famous carvings gave a brief talk on wood carving and methods used then gave a demonstration of carving while Miss Carol Lou Burnham of Winnetka talked of Mr. Halltshammer and his work.

Mr. Halltshammer is an interesting worker with a great knowledge of human nature and a keen sense of humor which is shown in his carvings. He brought with him a number of carved pieces which made an interesting display.

Miss Burnham's talk was enjoyed, and was given in her usual delightfully easy and refreshing manner.

Tea was served after the meeting was adjourned.

### Washington Portraits Are Interesting Study

Through his desire to find a portrait of George Washington which expresses all the attributes of that fine man, Mr. C. M. Garland of 817 N. St. John's avenue, made an intensive study of history and collected many splendid pictures. He thought he would compile his information in a magazine article, but found, instead, he had written a concise life of Washington which he illustrated with twenty portraits now in public and private galleries of America. This book "Washington and His Portraits" brings to us the "Great Washington," the most "Illustrious of Americans."

Mr. and Mrs. Garland have been residents of Highland Park for some years. Their friends are grateful that he has given such a valuable contribution to the world of books.

### Dr. Preston Bradley at Men's Club Tonight

Dr. Preston Bradley will speak on "Two Great Americans" at the meeting of the Men's club of North Shore Congregation Israel, Lincoln and Vernon avenues, Glencoe tonight (Thursday, February 18,) at 8:00 p.m.

Dr. Bradley, minister of the People's church of Chicago, is well known in our community. His stirring messages, emanating both from his own pulpit and from numerous forums in Chicago and its environs, abound in inspiration, instruction and entertainment. The subject of Dr. Bradley's discourse is happily chosen. The date of the meeting falls between the birthdays of two of our illustrious Presidents — those of the martyred Emancipator and the bi-centennial of Washington — gives us the privileged opportunity to attest, by our presence, to those patriotic sentiments, never absent, but bearing a stronger emphasis on occasions of historical importance. The Men's club cordially invites everyone who is interested to come to hear Dr. Bradley.

### Monday, Feb. 29, To Be Milk Fund Tag Day In Highland Park; Needed

Monday, February 29th has been named Tag Day for Highland Park for the purpose of raising money to buy milk needed by the babies and children of our own community. Such a Milk Fund has been found necessary to maintain the health of these little ones in unfortunate circumstances here in Highland Park.

The Public Welfare committee of the Highland Park Woman's club has undertaken the task of organizing such a campaign and it is hoped that everyone will gladly respond to this appeal for help, even if it is only with a very small gift. A single bottle of milk from everyone would mean so much to helpless children in these trying times. Highland Park has never failed to do its duty and it will do its duty again on Monday, February 29th.

Many prominent young girls of Highland Park as properly authorized collectors, wearing special badges will sell tags throughout the day. Headquarters will be established at the Central avenue station of the Northwestern railroad where workers will report for duty and instructions.

All members of the Highland Park Woman's club are asked to save this special day of the year to devote an hour or two to this worthwhile task.

Everyone start now saving pennies and have them ready for the Milk Fund Tag Day on Monday, February 29th.

Tickets are now on sale by the committee in charge, and may also be secured by phoning Mrs. Renslow Sherer, H. P. 584.

Invitations have also been issued for a buffet-supper and bridge to be given by Mrs. Louis Leverone at her home at 7 o'clock Saturday evening, Feb. 20, for the benefit of the Settlement. The hostesses assisting Mrs. Leverone are: Mrs. Konrad Schreier, Mrs. Roswell Swazey, Mrs. Edward Roach, Mrs. Ralph Cleary, Mrs. Charles French, Mrs. Frank Mercer, Mrs. Walter Rutledge, Mrs. Charles Wright, Mrs. Robert Walker and Mrs. A. L. Miller.

Miss Harriet Vittum, in a recent talk in Highland Park, stated that 85 per cent of the people in the Settlement district are out of work, and that 2700 families are in distress. The Settlement not only administers to the physical needs of these unfortunates, but also aids in strengthening the morale of those who might otherwise become utterly desperate.

The Highland Park board is confident that there are many who will wish to help in this splendid work.

"A Kiss for Cinderella" is one of the two great contributions Mr. Barrie has made to the theatre of children, the other being "Peter Pan," so well loved by old and young. When given here earlier in the year, it was received with such appreciation that "Cinderella's" welcome was assured. Both are (Continued on page 31)
