**February Meeting of  
Ravinia Garden Club**

The regular February meeting of  
the Ravinia Garden club which was  
held Friday, Feb. 12 at the home of  
Mrs. E. L. Easton, Groveland av-  
enue, was largely attended and  
proved an interesting and delightful  
afternoon.

Mr. Franz Lipp, landscape archi-  
tect, was present to give construc-  
tive criticism on models of gardens  
which had been made by members  
of the club.

While each garden presented an  
individual problem of planting, Mr.  
Lipp's suggestions were helpful to  
every member.

Mrs. Easton was assisted in serv-  
ing tea by Mrs. W. A. Mast, Mrs.  
Arthur Raff, and Mrs. P. D. Stokes  
co-hostesses for the afternoon.

**Washington Etching  
Loaned to Library**

Mr. and Mrs. E. B. Jordan have  
lent a very valuable etching entitled,  
"George Washington and His Fam-  
ily" to the Deerfield Township Pub-  
lic Library, in connection with the  
national observance of the Washing-  
ton Bi-centennial.

The picture has been in the pos-  
session of the Parsons family (Mrs.  
Jordan's parents) for a great many  
years. Under the picture is en-  
graved the following inscription:  
"Entered according to the Act of  
Congress in the year 1864 by C.  
Schuesed in the clerk's office of the  
district court for the Eastern Dis-  
trict of Pennsylvania."

The picture is being exhibited dur-  
ing the regular hours of the li-  
brary.

**To Study the Stars**

The Friendship club will meet at  
the Y.W.C.A. Thursday evening at  
7:30. If the evening is clear they  
will go to the Elm Place school for  
a study of the stars from the ob-  
servatory. Girls doing household  
work in Highland Park are invited  
to join the group. Several attended  
the tea Sunday given by this group  
from the invitation extended  
through the papers.

**Dollar Day Here Is  
Fine Success; Local  
Merchants Pleased**

Highland Park merchants are  
especially pleased with the success  
of Dollar Day last Wednesday. Cust-  
omers thronged the stores through-  
out the day and sales were in large  
volume. Everybody seemed pleased  
with the excellent values offered,  
and the day was a success through-  
out, it is reported.

The Highland Park Press contrib-  
uted largely to the success of this  
big sales event, as it alone carried  
61 paid Dollar Day advertisements  
by local merchants in which many  
splendid bargains were offered, and  
there was general expression of  
gratification on the part of the mer-  
chants for the fine co-operation by  
the Press with the Chamber of  
Commerce in arranging for this  
Dollar Day.

**Winners in Chicago  
Dist. Ping Pong Match**

The Clark brothers, Coleman of  
Glencoe and Robert of Highland  
Park, captured the Chicago district  
ping pong championship on Saturday  
night. In the finals they easily  
went through Lewis and Pearson,  
last year's western title holders in  
three straight games. In the semi-  
finals they downed the strong Jap-  
anese combination of Fushimi and  
Rushakoff.

There will be many dark horse  
double entries from other cities in  
the middle west in the western ping  
pong championship to be held Feb.  
26 and 27 at the Palmer house, but  
down this veteran north shore team,  
they will have to show real class to  
who play for the Interfraternity  
Club.

**Co-Operation of Social  
Service Aids in City  
Street Cleaning Work**

Highland Park's streets are in ex-  
cellent condition this winter due to  
the cleaning which has been done  
through the co-operation of the  
Highland Park Social Service and  
the city street department. The city  
did not have funds for this work  
but the Social Service, through  
funds raised by subscription, gave  
employment to needy men who did  
this work under the supervision of  
the city street department. This  
splendid co-operation has served a  
worthy two-fold purpose, the giving  
of employment to those needing it,  
and improving the appearance of  
Highland Park.—Contributed.
