

HEROINE IN PLAY

When in love not even an adoring parent can bar the way of Princess Anne, played by Myra Jane Hutton, in the Senior play, "The Queen's Husband," to be given March 11, high school auditorium.

Model house of a French cottage type made by Muriel Mowers, which won first place in the contest held recently in the art appreciation classes of Miss Kerfoot, Deerfield-Shields high school.

Speaking of prophets, how about the fellow who predicted that after the Hawley-Smoot tariff bill was passed, prices would go so high you couldn't see 'em with a telescope?

Too Often Too True

And if you make a better sucker trap the world will make a beaten path to your door.—San Francisco Chronicle.

GIRL RESERVES GIVE HIGHEST AWARD TO MYRA JANE HUTTON

At the Annual Girl Reserve Mother and Daughter banquet held recently, Myra Jane Hutton received the highest National award of the Girl Reserve Movement. Mrs. E. T. R. Murfey, President of the Highland Park Y.W.C.A. presented her with the Girl Reserve ring.

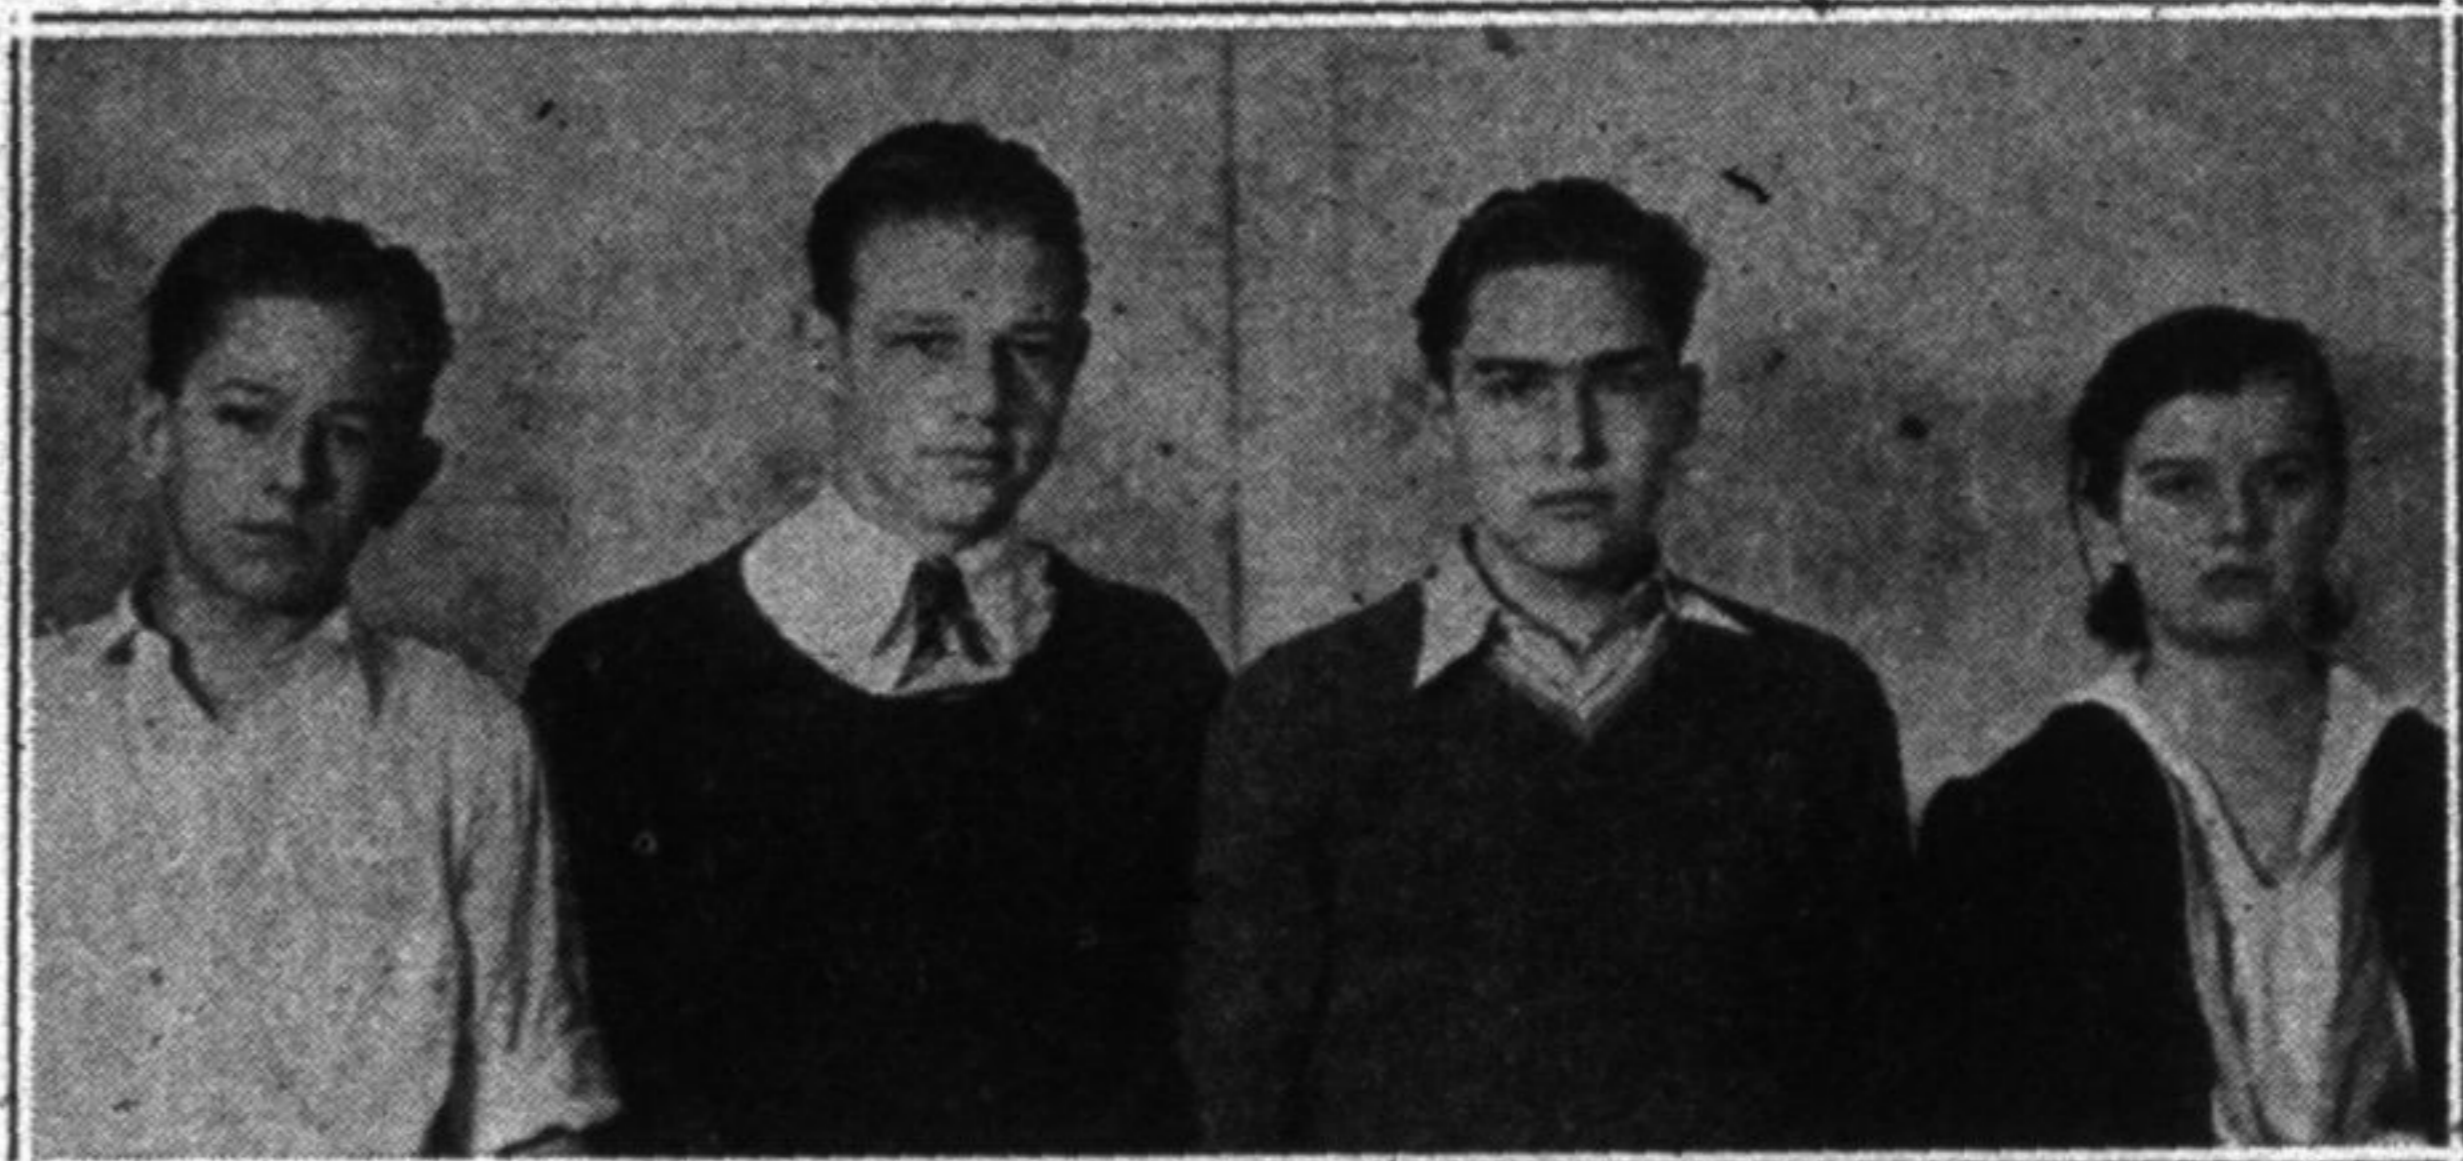

Myra Jane joined the Girl Reserves in the 6th grade in Decatur, Illinois. Her leadership was recognized, and she was elected president of the Roosevelt high school club of that city. In Highland Park she served two years as an assistant adviser to Girl Reserve Triangles, and 1931-1932 finds her adviser of the largest Girl Reserve Triangle in the Highland Park Y. W. C. A.

Out-doors and sports also appeal to Myra Jane. "Camp Kiwanis" of Decatur, Ill., and "Camp Merry Days" the Highland Park Y.W.C.A. claim her as one of their leaders. As a Junior Life Saver in camp, she assisted in swimming and was an adviser for a group of younger girls.

Prince William! In Senior Play

Al Meyer plays the role of Prince William, who is engaged to marry Princess Anne. Although William doesn't know it, his bride to be is deeply in love with her father's secretary. Senior play, "The Queen's Husband," at high school auditorium March 11.

PERFECT-O-LITE

These new and amazing automobile headlights are here, ready for your trial and approval.

These lights show you the full width of the road from ditch to ditch, penetrate fog and make plainly visible approaching curves and bumps. In fact they give you twice the light of the ordinary headlights without interfering with automobiles moving in the opposite direction. Dimming is not necessary.

PERFECT-O-LITES make night driving as easy and safe as day driving and it will not cost you a cent to prove it to your own satisfaction. You may use a pair of them overnight absolutely free.
