The Kota-de-awa Girl Reserve Tri' of the Deerfield-Shields high school are working hard in planning their Leap Year party to be held Monday evening Feb. 29 in the assembly hall of the Highland Park Y. W. C. A. at 7:15.

Committees that are made up so that every girl is given a chance of displaying her ability to make this party a huge success. Besides decorations and food games, songs and stunts will help to put over this every fourth year event.

Mrs. Harold G. Boltz the advisor is assisting the committees in making arrangements. The chaperones of the evening will be Mr. and Mrs. Harold G. Boltz and Mr. and Mrs. Carl McManus.

February 22nd Well Spent
Washington's birthday was spent by the Rinkeydink Girl Reserves in taking their first winter hike. 9:30 the girls met at the Y. W. C. A. dressed as if a trip to the North Pole had been planned but after the first mile everyone was glad that winter hiking clothes had not been stored away.

When the destination was reached a fire was built and the many lunches were displayed which looked as if eyes might have been bigger than stomachs early Monday morning when lunches were being planned for, but every bit of food was eaten. Potatoes, pork chops, bacon, hot dogs, apples, marshmallows and angels in blanket were baked and eaten.

The hike home seemed shorter with the wind helping to lighten the steps of every tired but happy Girl Reserve.

Such Cake!
The Girl Reserve cooks could have won 1st prize in any cake contest last Saturday, Feb. 20. Such Banana cake! was never seen or tasted in the Y.W.C.A.

Every Saturday from 2:30 to 5:00 cooking lessons are given to the Girl Reserves that are interested in making good things to eat. The second cooking course for beginners will be organized Saturday, March 5th. Girl Reserves that are interested are urged to enroll now for future classes.

Advisors Attention
Advisors, dinner and training course will take place Monday evening March 7th at the home of three advisors in Deerfield. Every advisor is urged to save this date. Cars will be provided to take all advisors from Highland Park.

First Aid
First Aid has been studied by the Girl Reserve triangles this month. The Blue Triangle under the leadership of Myra Jane Hutton are the farthest along, but the other triangles are getting along fine. Next month handwork will be the main feature for the Girl Reserve Triangles. In the near future trail blazing, signaling and camp cooking will be studied.

Camp
Don't forget Girl Reserves summer will soon be here and the word camp will be on every girls tongue. The Y. W. C. A. is planning to have a community camp again this summer. Camp is talked of by both girls and leaders. Keep your eyes open for further announcements Girl Reserves.

Washington Ceremony

On April 7, 1928, the money was deposited with the county treasurer by a special master in chancery following a foreclosure sale, for Miss Warren. She was only 14 years old at the time.
