

LEAGUE OF VOTERS' SPECIAL PROGRAM

(Continued from page 6)

Did you know that the answers of "no" to these questions at that time have been changed to "Yes" today?

Do you know what discriminations still exist today in our laws against married women?

To really learn how property rights for married women developed from nothing, under the old English common law, made a start under the rules of the equity courts, through the first married woman's legislation to the present laws under the reform legislation where she receives the right in Illinois to own, control and use her property is one of the most interesting parts of the program of the Legal Status committee of the League of Women Voters.

Other Information

Do you know how the citizenship status of a woman who married an alien has changed during the last decade?

Thousands of women have been affected by the Cable Act and amendments which only last March gave women the same rights as to citizenship when they married aliens that men had enjoyed for years.

At the morning session Mrs. Raymond Simons will discuss the questions concerning "A married woman and her job," and "A married woman and her child." Mrs. Simons is a well known lawyer, a member of the Illinois Bar, the United States District Court and has been admitted to practice before the U. S. Supreme Court.

She is president of the Conference of Law Fraternities of the United States and editor of the official magazine of Kappa Beta Pi International Legal Sorority.

Afternoon Session

At the afternoon session Miss Jane Whitlock takes up the legal problems involved with "A married woman and her will." Miss Whitlock is a graduate of the Northwestern Law school and a member of the State Legal Status committee, of which Mrs. Simons is co-chairman.

An interesting feature of the afternoon will be the presentation by local members of a short play entitled, "A day in a lawyer's office." This play was written by Mrs. Simons and very cleverly portrays many of the legal problems which have been discussed earlier in the program.

Bridge Party

Easter Monday, March 28th, the league is sponsoring a bridge party at the home of Mrs. George C. Moseley, 1267 Broadview avenue, Ravinia, for the benefit of the work of the State league.

The league's non-partisan meeting for candidates at the spring elections will be held at the Elm Place school, Tuesday evening, March 29th at 8 o'clock. All voters will wish to reserve this date to hear candidates of all parties make their stand clear on legislative measures and matters of public policy.

Among those from Highland Park attending the March meetings of

the County board at the Court house in Waukegan this week are Mrs. Clarence Balke of the County Affairs committee, and Mrs. Constant C. Hopkins, president of the league, Highland Park. There will be representatives from the three other leagues in the county, Lake Forest, Lake Bluff and Waukegan.

Maurice Hindus, author of several books on Russia and recognized as a leading authority on the subject, has been secured by the Cook county league for a lecture on "Russia and the World," Wednesday, March 16, at 8:15 at Orchestra hall, Chicago. Tickets are now on sale at the box office.

Driest Bowls High Game in Pin League

Last week Meierhoff hardware won two out of three games from the Duomo Brand's in the regular weekly match held at the Majestic bowling alleys. In the same evening the H. P. Beverages won three games from Nelson's and Sweetland's pharmacy won two from Fell's.

In the doubles league only two matches were held. Duffy and Duffy won three out of four points from the Majestics and Menoni and Mocogni did the same to Nemeroff's.

The week's high score prize was won by Fred Driest who rolled 253 pins in one game.

Tonight, (Thursday) Meierhoff's will meet Sweetland's and the Reliable laundry will meet Nelson's garage.

Next Monday, in the doubles league, Flying Eagles No. 1 will meet Duffy & Duffy and Nemeroff's will meet the Eagles No. 2. Menoni and Mocogni will roll the Majestics.

D.A.R. Better Films Committee Review

The best picture for youthful audiences this week is the one billed for tonight and Friday, and we wish it were possible to announce it as the Saturday matinee feature but as has been explained before it is difficult to secure just what is most desirable for that very popular day. Better let the children go to the early show Friday night if they are not to miss "Sooky." How we all adore Jackie Cooper and in this Robert Coogan and Jackie Searle are also excellent. There are no dull moments, plenty of laughter, some tears and all in all a very good family picture. "Her Majesty Dove" is a good picture to accompany Sooky in that it is harmless and there are comic bits by Leon Errol and Ford Sterling, and Marilyn is always lovely to behold. Family.

"Stepping Sisters" brings Louise Dresser in a mediocre play. The humor is forced and cheap and we hope "Air Eagles" will prove to redeem the program, as the former can not receive recommendation. "Dance Team" on the contrary is very delightful, and will be apt to please all audiences. Those two popular young stars, James Dunn and Sally Eilers, in search of dancing partners, meet and form a dance team. It is a refreshing and a wholesome picture, the incidents humorous and touching and can receive recommendation for all the family. "X Marks

the Spot" is another newspaper, gangster feature, not outstanding, but at least unobjectionable. "Strictly Dishonorable" is a very interesting and very well acted comedy with Lewis Stone, Paul Lukas and Sidney Fox. It is very well directed with charming restraint and manages to escape offensiveness. We can highly recommend for adult audiences, but has no value for children whatever. "Woman from Monte Carlo" has those excellent performers, Walter Huston and the new star Li; Dagover. There is much of sex in it and is rather melodramatic. Not recommended for children.

Feature Soccer Game at Highwood March 13

A feature soccer game will be played at the Highwood field on Sunday, March 13 between the Gonnells of Highland Park and the First German Sports club of Chicago. This is the opening game of the second half of the league, also this was the only team the Gonnella club had to submit defeat to since the season started, so there should be a rousing game to witness. Admission is only nominal and given good weather we appeal for more fans as these games are worth seeing. Game starts at 3 p.m.
