

The

HIGHLAND PARK PRESS

On March 21st the Highland Park-Ravinia Friends of the Infant Welfare Society are again asked to support the drive in the generous manner they have done in the past. Never have the babies needed your help as much as at this time, for the Infant Welfare stations are filling in the breach when all other sources of medical care and food have been cut off. "Keeping well babies well" is the Infant Welfare Slogan.

THURSDAY, MARCH 17, 1932 + PRICE FIVE CENTS
SAINT PATRICK'S DAY
