

Automatic Gas Heating
Is Today's Outstanding
Contribution to Your Comfort

Make
Your Present
Heating Plant
Automatic
with a

CONVERSION GAS BURNER

A Conversion GAS Burner added to the heating plant now in use in your home will make your heating *completely automatic*. Installation of a Conversion GAS Burner can be made quickly . . . without any inconvenience to you. One day usually sufficient time for the change. Clean, dependable heat and uniform temperatures are supplied *automatically* when you have GAS heat. And NOW you can have it at *less cost!* A new lower home heating rate saves you a substantial amount over the former charge for this service. Payment for a conversion burner may be spread over 24 months. Ask NOW for a FREE ESTIMATE of the cost of heating *your* home with GAS. Full particulars will be given without any obligation to you.

ELECTROLUX

the New Idea
in Modern
Refrigeration

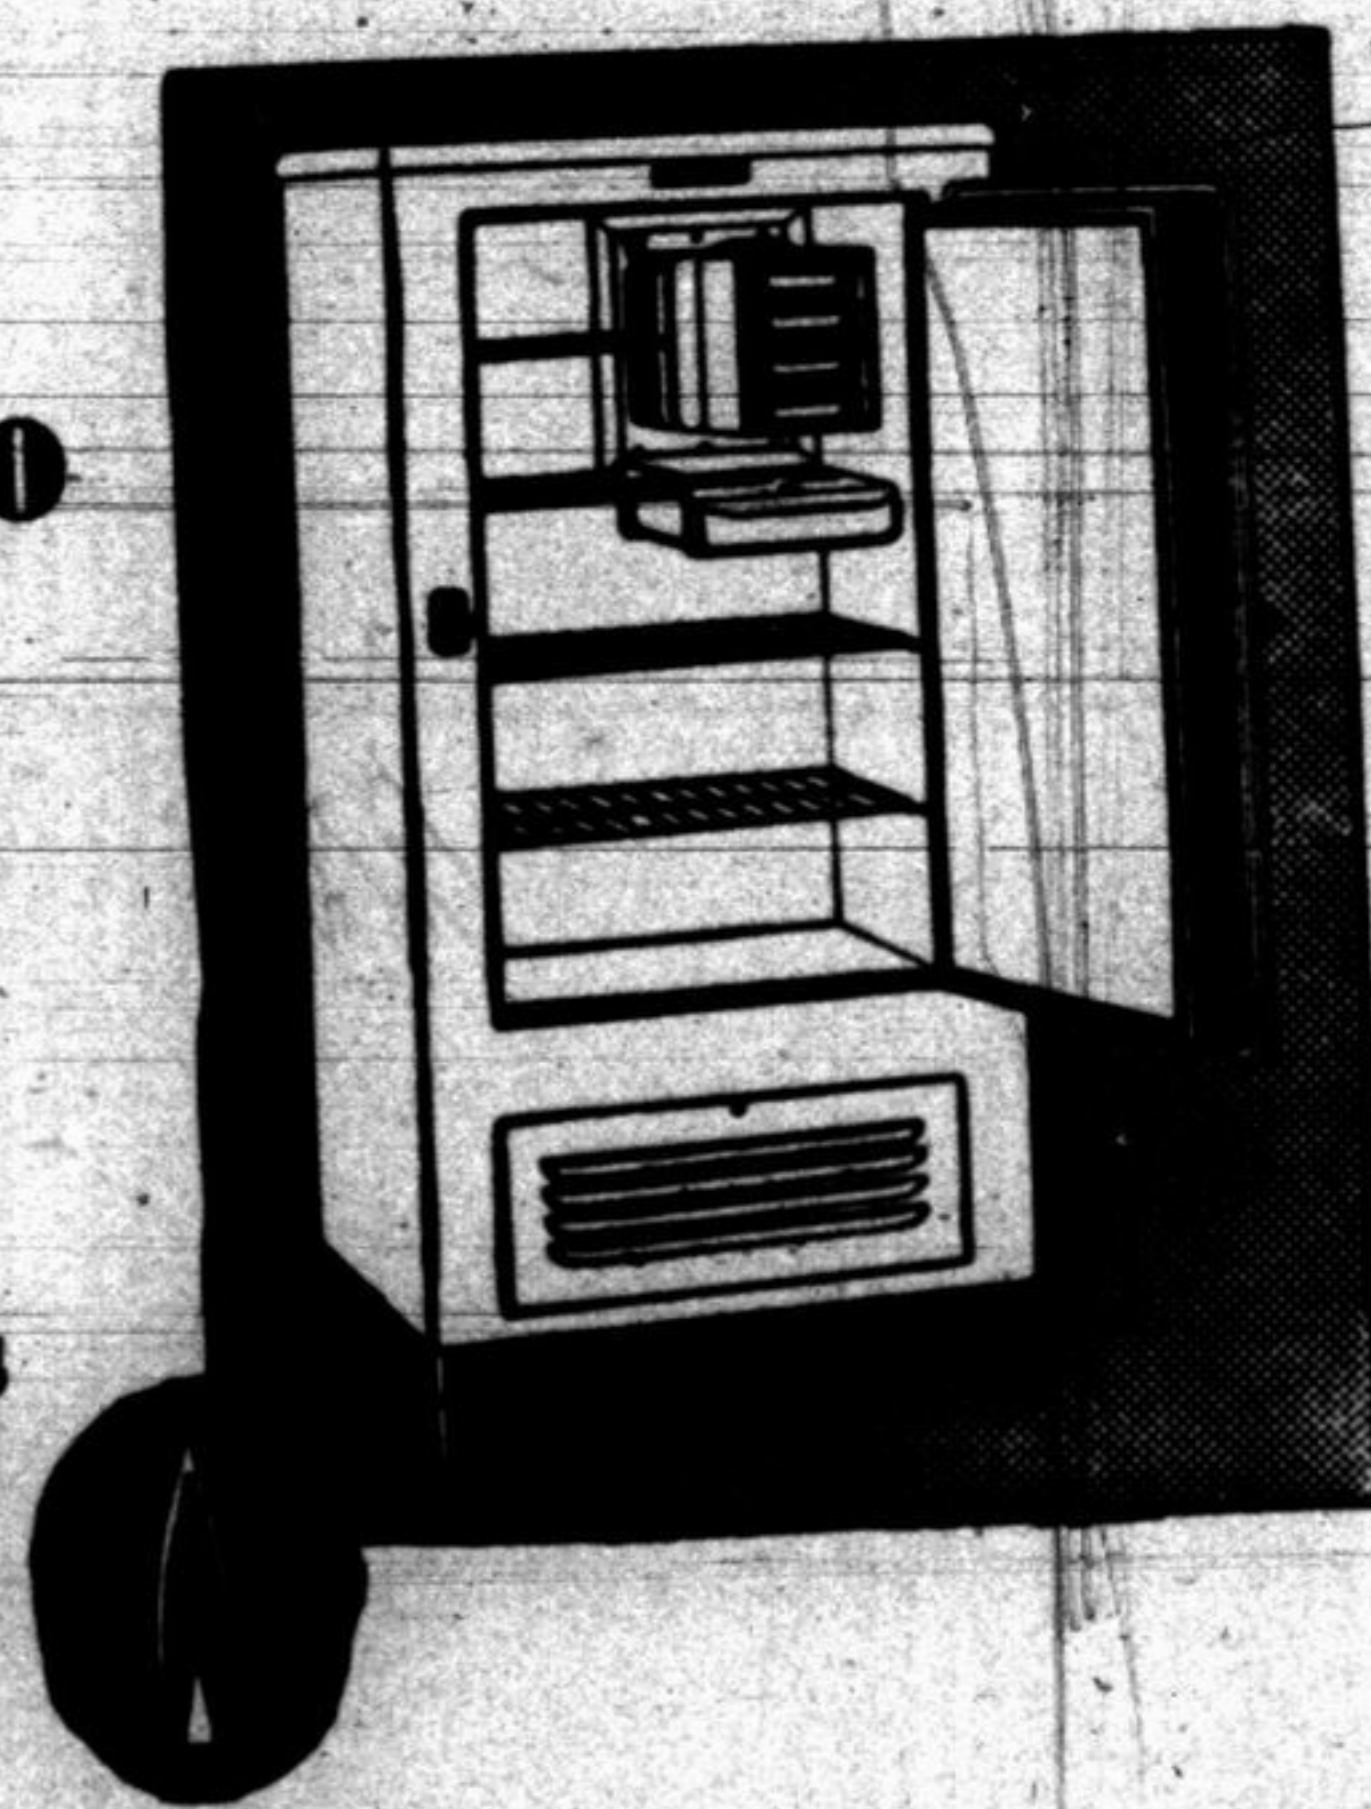

ELECTROLUX is the *big new idea* in automatic refrigeration. For, without machinery, without sound, ELECTROLUX produces constant, steady cold . . . freezes plenty of pure, sparkling ice cubes. A tiny gas flame and a tiny flow of water do all the work . . . *economically*. With ELECTROLUX you save both foods and money! You owe it to yourself to see ELECTROLUX. Visit our display . . . or telephone.
