Lincoln Boys Club Champs Defeat Those of Elm Place School

The champion Lincoln Boys club team trounced the Blackhawks, champions of the Elm Place Boys club, to the tune of 0 to 8, in their first inter-club game for the junior basketball championship of Highland Park.

The boys from the Elm Place club seemed lost away from their home gym, and could not cope with the taller Lincoln boys who followed their shots beautifully to tip them in, and pile up a one-sided victory. However the Blackhawks claim the score is no indication of the strength of the two teams, and promise that when they meet again this evening at Elm Place the result is going to be reversed. Dingle led the Lincoln team to victory, scoring many of his teams points. Rippy Swan did the heavy work for the Blackhawks, and had he entered the game sooner, the score would have been much closer.

In the game between the runner-up of each club, the Majestics, runner-up at Elm Place, beat the Lincoln clubs runner-up team. This was the reverse of championship game, because, here, the boys from Elm Place had the advantage in height and strength and went out to win, leading all the way. Boch led the Majestics.

Tonight, Thursday, March 24, these four teams will play again. Elm Place gym will be the scene of action and the first game starts at 7:15 in the evening.
