MR. TAXPAYER, the records of the Circuit Court Clerk show from whom it was collected. It was paid out by order of the Board of Supervisors for salaries clerk hire, detective hire, witness fees, rewards for apprehension of criminals, prosecution of gangsters, the employment of auditors in the bank cases. The records of the County Treasury show to whom it was paid. In addition \$38,000 has been turned into the school fund. NO OTHER COUNTY IN THE STATE CAN SHOW A LIKE RECORD. BUT FOR THIS COLLECTION THE TAXPAYER WOULD HAVE PAID THESE BILLS. SHOULD NOT THE LAW VIOLATOR PAY THESE EXPENSES?

Because of the proximity of our county to Cook County, the criminal situation is acute. It has for that reason been necessary to employ detectives and investigators in apprehending murderers, burglars and robbers. Without this fund the murderers of John L. Johnson, William Peterson, William Beck and Alma Miller would have escaped justice. THE LAW VIOLATOR PAID THE COSTS OF DRIVING THE "BUGS" MORAN GANG OUT OF OUR COMMUNITY. IS THERE ANY VALID OBJECTION TO THAT?

## Ritzenthaler Heads Deerfield Legion Band Is Qualified

Lloyd Ritzenthaler of Prairie View has been chosen as the bandmaster of the brass band sponsored by the Deerfield American Legion post No. 738.

Mr. Ritzenthaler comes highly recommended as a bandmaster, and is fully capable of developing a mighty snappy brass band in Deerfield. Mr. Charles Kapschull, manager of the band states it is his desire to make this band one of the best in the State of Illinois and is confident it can be done with the support of the musicians who will give their best efforts and be faithful in their attendance at the weekly rehearsals.

Mr. Ritzenthaler is very strict at his rehearsals, expecting every member to be in place ready to play at 8 p.m. The rehearsal period will be handled somewhat differently than heretofore. New music is being furnished, added musicians have pledged their support, and the outlook is the most promising it has been since the band has been organized.

Mr. Kapschull is planning on the band competing for honors at the annual convention of the American Legion which will be held at Danville, Illinois, in August of this year.

Competency and regularity of attendance at rehearsals are required of the members who expect to make the trip to Danville.

Musicians from any place in Lake county are eligible to join the band. Rehearsals are held at the Deerfield Grammar school, Wednesday evenings, of each week.

## Girl Reserve News

### Bake Sale a Success

The Kota-de-awa Tri's bake sale was a huge success March 19, which was held at the Lincoln market. If it hadn't been for the co-operative public in buying the girls' complete assortment of cakes, pies, doughnuts and other tasty foods, the bake sale would not have been successful. Each girl expresses her thanks to everyone who purchased the various foodstuffs. The advanced cooking class made the doughnuts that were sold by the high school girls.

The advanced Girl Reserve cooks made doughnuts for the high school Girl Reserves bake sale. Every Saturday two cooking classes are sponsored by the Y.W.C.A.

The advanced cooking class meets at one o'clock every Saturday afternoon and the beginners' class meets at three o'clock. A full Saturday afternoon's program takes place every Saturday. Any one who is interested in seeing the Girl Reserves cook are cordially invited to attend any class.

### Swimming

Every Saturday morning the Girl Reserves have the opportunity of swimming at the high school tank from 11:15 to 12:00. The pool is well guarded every week.

### Committee Meets

The Girl Reserve committee held their March meeting last Thursday, March 17. Many items of interest were discussed and planned for the coming week. The fourth Thursday of every month has been chosen for the Girl Reserves Committee meeting.

### Greetings from Delaware

Last week a letter was received from Mrs. Dorothy S. Glidden, (the former Dorothy S. Steele of Glencoe) who is the high school Girl Reserve adviser in Wilmington, Delaware. Recently the pageant "Friendship Fire" that was written by the Girl Reserve secretary, Marion MacManus, was sent to Mrs. Glidden by request. She is very eager for her high school group to present this playlet. Other Girl Reserve activities are keeping the girls busy. The group is now making a patchwork quilt and jigsaw puzzles for shut-ins and they have just completed a bake sale to raise money for materials. Service work keeps the girls very busy.

### Chili, March 31

Chili, chili, and more chili, will be heard and seen around the Y.W.C.A. for the next two weeks. The Girl Reserves are planning a genuine chili supper to be held Thursday, March 31, from six to seven p.m. Family groups are cordially welcome. Every Girl Reserve triangle will have charge of setting and serving of the table. Tickets may be purchased from Girl Reserves or from the Y.W.C.A. Proceeds go to help pay for the numerous awards that are given twice a year to Girl Reserves that pass their requirements.

### Sunshiners Entertain April 15

The Sunshiners' mother and daughter banquet will be held Friday, April 15. Dinner will be served at 6:30 o'clock. Every mother who has a Sunshine daughter is urged to save this date for her.

Reservations must be in by Thursday noon, April 14. A very delightful affair is being planned for this first Sunshine banquet. Last year the Sunshiners and Girl Reserves had their banquet together but due to the increase in membership of both organizations separate banquet had to be planned for 1932.

## She Said "Yes" and He Wrecked a Store

Chicago police are cautioning all motorists to refrain from proposing while driving.

After a year of nothing but "no" Eileen Gehringer last week said "yes" to Alfred Linsemann as they were riding about in the youth's automobile. So surprised was the young suitor that he lost control of the car which narrowly missed a traffic policeman and plunged into a snow window of a store.

But, love laughs at such trifles. The front of the store was wrecked, but the young couple was not hurt.
