

*End Furnace Tending . . .*

# Make Your Heating **AUTOMATIC**

## *with a* **CONVERSION GAS BURNER**

On the day a Conversion Gas Burner is installed in your heating plant, you will be freed from every care, worry and responsibility of furnace tending. With GAS heating your fuel is delivered as it is used. There is nothing for you to bother with. Temperatures are maintained automatically by an upstairs thermostat. You enjoy absolute freedom from every form of furnace tending. You have complete comfort with carefree heating, uniform, healthful temperatures and matchless cleanliness. Ask for a **FREE ESTIMATE** of the cost of heating *your* home with GAS. Just telephone or come in and secure all the facts without obligation.

### *New Lower Heating Rate*

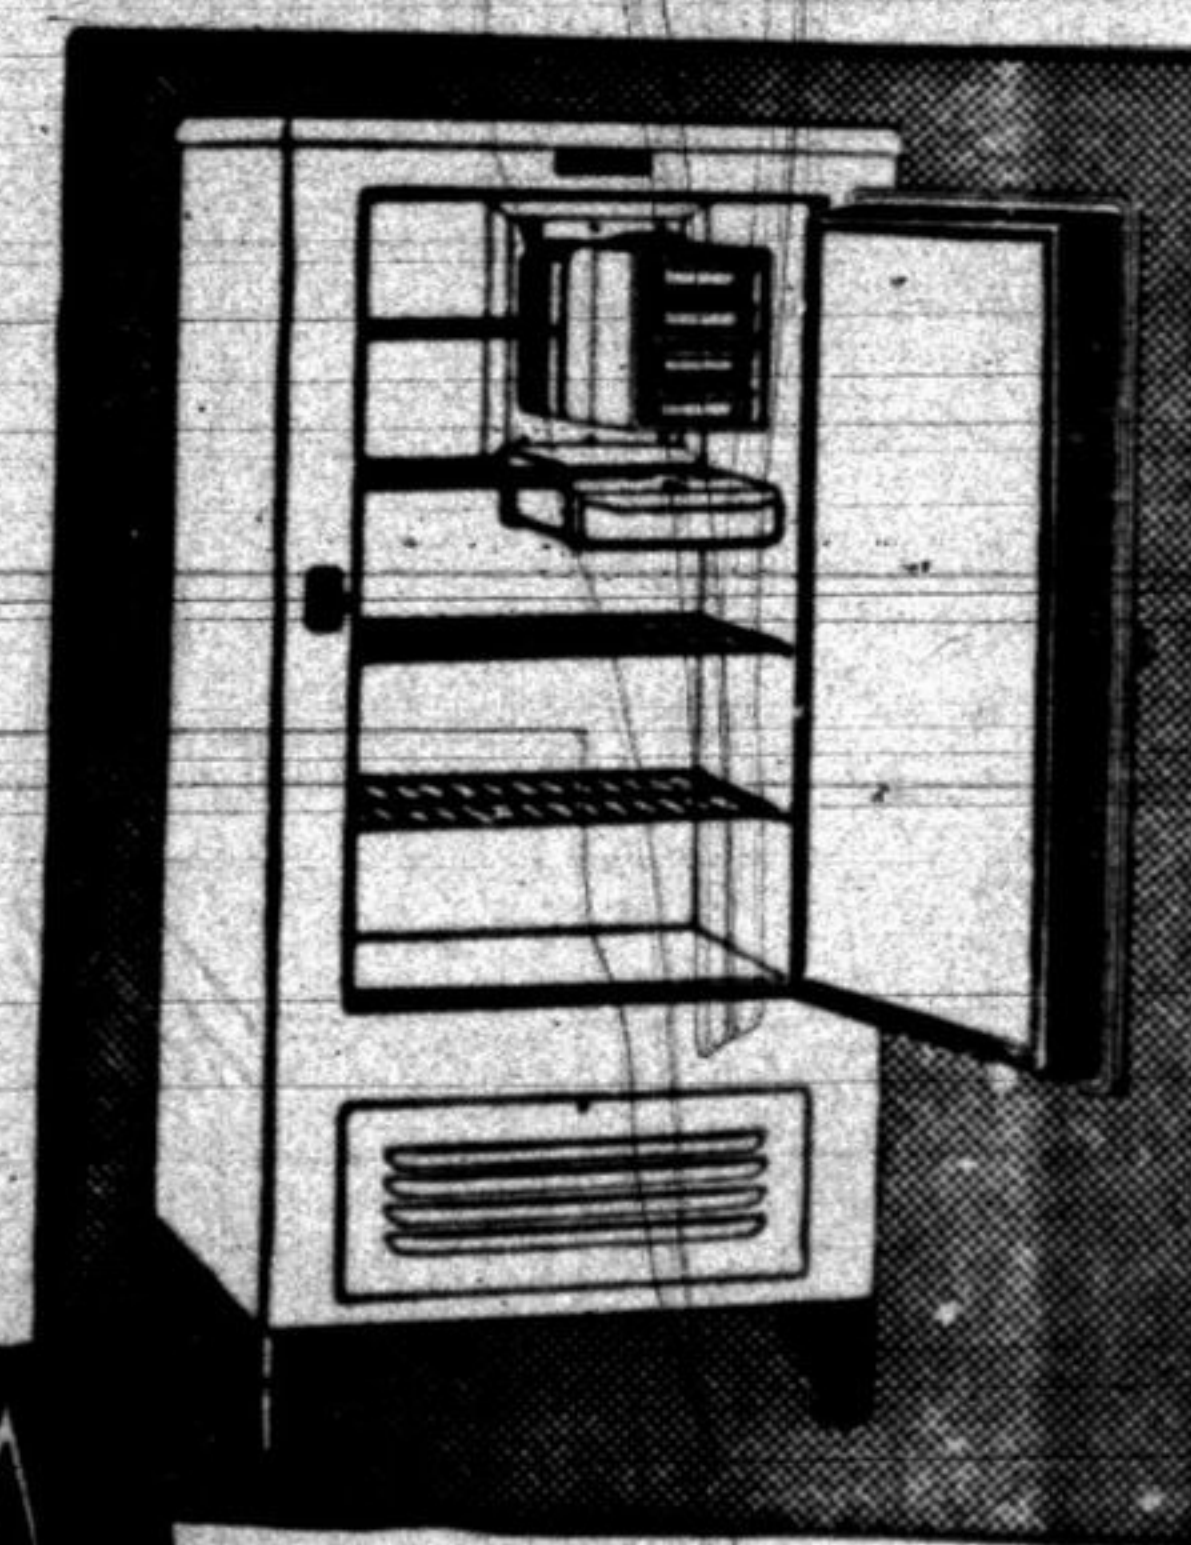

*Home heating with GAS costs less now. The rate for gas used in heating has been substantially reduced. GAS heating is within the means of many more families than before. Let us give you details.*

### **Take 24 Months to Pay**

A Conversion Gas Burner for your present heating plant is moderate in cost. Make only a Small Down Payment to have it installed. You have 24 months to pay the balance. Use this convenient, liberal payment plan to enjoy automatic gas heating now.

## *Here is the New Idea in Automatic Refrigeration*

If you want the latest, most efficient form of automatic refrigeration, buy Electrolux, the GAS Refrigerator. In this modern automatic refrigerator steady cold is produced by a tiny gas flame and a trickle of water. Electrolux has no machinery to make noise and wear out. It is silent and dependable *always*. Many economies are possible when you own an Electrolux. Food savings alone will more than repay its cost. Exceptionally *easy terms* make it convenient for you to buy now. Visit our display or telephone for complete details.
