Star Talk—By M. E. W. Sundell
Girl Scouts be sure and save Friday evening, April 15, for the star talk given by Mr. Sundell in the auditorium of the Public Library. Be sure to hear Mr. Sundell and see his wonderful radium star chart.

We hope every Girl Scout will take advantage of this wonderful opportunity.

The First Aid Course meeting at the Presbyterian parish house will continue for seven more meetings. No more scouts may join after April 5. It is proving most interesting and helpful and is a splendid way in which to pass the first aid work for first class.

Porto Rico Girl Scouts in Drive to Save Birds

"Save Our Birds" is the spring slogan of Porto Rico Girl Scouts, who have inaugurated a drive to protect the eggs and the young of nesting birds. The campaign is being sponsored by Mrs. James Beverly, wife of the new governor of Porto Rico, and honorary commissioner of the Insular Girl Scout Council.

There are about 150 species of birds on the island and many of them are rare, or local in their distribution. Of this number about 70 are migrants and 24 species are peculiar to Porto Rico. Unless something is done for them soon, it is feared many species will be extinct.

Camp! Camp!

Applications for Hickory Hill and for Timber Trail are being sent in now. Won't you please make up your minds about camp and get your applications in as early as possible so as to insure your getting the period you most want? First in, first served.

Camping for Leaders

Timber Trail will be honored by a national troop camping course for leaders given by Miss Emelia Thorsell, July 9—July 23, open to all leaders of the Great Lakes region or neighboring ones. This will be the only time these leaders may go to Timber Trail.

Girl Scout Day at the Flower Show

On Saturday, April 9, any Girl Scout in uniform will be especially welcomed at the annual Illinois and Chicago flower show at the Navy Pier, and admitted at a greatly reduced price. So let's all plan to meet each other there and look at the exhibit which the Girl Scout organization has been graciously invited to set up.

Girl Scout Hikes and Picnics

Girl Scouts are taking advantage of this lovely weather and vacation time to plan hikes and picnics and observe the birds and little new shoots so rapidly pushing their way through the earth.

Swimming, High School Tank

Swimming each Saturday morning at the high school tank is enjoyed by a great number of girls. Girl Scouts swim from 10:30 until 11:15. Girls bring their own suit, cap and towel. Lifeguards are always in attendance.

Deerfield Troop No. 1

Deerfield Girl Scout Troop I met Friday afternoon at the Presbyterian church. There were 18 present. Plans were made for a party for Thursday evening (tonight) at 7:30 at the church. Each patrol is planning a stunt for the program.—Jane Todd, scribe.

Deerfield Troop No. II

Troop II of the Deerfield Girl Scouts met Monday evening at the Deerfield Presbyterian church. Thirteen girls were present. After the business session they studied for their second class test. The meeting was closed with "taps." The girls are meeting on Thursday afternoon (today) at the home of Lois Sturtevant to work on their tests. Plans for a hike were dropped.—Lois Sturtevant, scribe.

Deerfield Holy Cross Troop

About 12 attended the weekly meeting of the Holy Cross Girl Scout Troop which met Monday evening in the Deerfield parish hall. They started signaling and learned the letters B, I, S, H, T, M, O. They played games. Plans were made for a hike to Hiawatha Woods on Wednesday morning (yesterday) at ten o'clock, with their captain, Mrs. W. J. Amendt, and their lieutenant, Essie McGuire. The meeting closed with the singing of "taps."—Adela de McGuire, scribe.

Tom Wilder Exhibits Works in Evanston

There is an exhibition this week and next at the Georgian hotel in Evanston of the paintings by Tom Wilder of Ravinia.

There are forty pictures in the group and they look unusually well hung on the dark paneling of the Georgian library walls.

Girl Reserve News

Educational Trip

Saturday, April 16, a bus will be waiting at the Y.W.C.A. at 9:30 a.m. to take all Girl Reserves and Sunshiners that wish to attend this special educational trip. Each girl is to bring her own lunch. Cocoa milk and milk will be served on the bus (included in the fee). The first stop is to be at the Lighthouse and Coast Guard Station in Evanston. Many other places of interest will be visited during the trip.

For further information call the Y.W.C.A., H. P. 675. Every girl in the community is cordially invited to attend if she so desires. Reservations must be in not later than Wednesday night, April 13. The price is the same as last year's.

Adviser's Dinner

The advisers dinner was postponed to Monday evening, April 11. The first Monday of every month has been set aside for the Girl Reserves advisers' dinner meeting. On account of the spring vacation several leaders have gone away for the week.

Dinner will be served at 6 o'clock Monday evening, April 11, at the Y.W.C.A. The following advisers are spending the spring vacation elsewhere: Misses Margaret Hunt, Hazel Miller, Genevieve Card are with the respective parents in Missouri. Miss Mabel Ablard left for Washington, D.C. Monday, April 4, for a week's trip.

Lydia Hutton and Myra Jane are spending the week in Kansas, Ill., with relatives. Miss Hermina DeHartog is spending the week at home in northern Wisconsin. Miss Donna Bell Jensen is with her parents in Evanston, Ill.

Sunshiners Entertain

Friday, April 15, is to be the Sunshiners' Mother and Daughter banquet. Mothers that have Sunshine daughters are urged to save this date so that the daughters may entertain them once during the year. Final plans have been made and a very pleasant evening is looked forward to. Each group has prepared a stunt. Songs will help to complete the program.

Thursday morning, April 14, all Green Bay Sunshiners are to make reservations and purchase tickets from Mrs. McManus, who will be there at the opening of school. "Y" Sunshiners are urged to make reservations Monday, April 11, at their next meeting.

Many Girl Reserves enjoyed Monday afternoon at the Y.W.C.A. learning how to make roll hats that are so popular lately. Friday, April 8, at 2:00 p.m. this same group will have the chance to finish the hats that were started Monday.

Hike Thursday

The Makiolet Girl Reserves have planned a hike for Thursday, April 7. Every member of this group is to meet at the Y.W.C.A. at 1 o'clock.

Sunshiners enjoyed a hike Monday, April 4, with their adviser. Because of the cold sharp wind lunches were cooked around a large fireplace in the playroom after an all-morning hike.

Chili Supper A Success

The Girl Reserves wish to thank everyone who helped to support the Girl Reserves' chili supper that was held Thursday, March 31. The proceeds have been turned over to the Girl Reserve department and will be used to buy more awards for this semester.

Cooking Classes

Both cooking classes will meet together this next Saturday, April 9, at 2:00 o'clock. The six-week cooking course for beginners ends this week and also the advance cooking class. Many Girl Reserves hope these classes will continue.

Swim

With the spring weather every Girl Reserve should be getting the swimming fever more and more. More girls are urged to attend every Saturday morning from 11:15 to 12:00. The pool is well guarded every Saturday. Wear your own suit and bring your own towel and cap.

Remember, summer is coming—so is camp.

\$165 Charity Fund

Available to Needy

At a recent performance given by the Cuore Arte club of Highwood, \$165 was cleared. This sum is now available to the most needy Highwood children. The performance was given for the purpose of raising funds to aid those in distress, and it is hoped that someone will avail themselves, or notify the committee of any who are in need of help.

All calls must be made by April 10. Name and address and number of children in family must be given when calls are made. Call H. P. 2238 or H. P. 897 between 8 a.m. and 4:30 p.m.
