

ADVANCE DATES OF VILLAGE VARIETIES

Ravinia Entertainment Feature to Be Given Friday and Saturday, May 6-7

The dates for the 1932 "Village Varieties" have been pushed up one week to Friday and Saturday, May 6 and 7, for the reason that the previous dates chosen were the same as those for "Students Stunts" at the Deerfield-Shields high school, and as both are popular feature entertainments of the year, it was thought advisable not to show them on the same night.

The "Village Varieties" will lose nothing by the postponement, however, for it will give the casts a chance to give a week's extra polish to their already fine finished performances of the various sketches for the show.

Rehearsals are going on steadily, special scenery is being designed and made, lighting effects and other special apparatus to be used in the show is being planned and executed. The ticket committee too is busy and tickets will be in the mails this week.

The show itself is without doubt the cleverest ever attempted in Rav-

Hecklers Criticise Speaker's Statements

Considerable excitement marked the meeting of the Ravinia Woman's club yesterday afternoon, when several women visitors took exception to some of the remarks made by the speaker, Carl Haessler. They report that he declared the capitalistic system rotten and that eventually this country must turn to communism, urging that this should be done as quickly as possible. According to these women, one of the visitors spoke up in meeting, when opportunity for asking questions was given, and voiced the opinion that the meeting had been listening to the "voice of Moscow," declaring that Haessler's statements in part were "insidious propaganda," or words to that effect. Considerable furor was caused, when others added critical comment, it was reported.

Taxpayers Meeting To Be Held Friday Night at the Pearl Theater

All taxpayers of Deerfield township which includes the cities of Highland Park and Highwood are urged to attend a mass meeting to be held at the Pearl theater, Highland Park, at 8:00 p.m., Friday evening, April 15th.

Several prominent speakers have been secured for the evening who have been busily engaged in taxation matters and are well qualified to speak on this much discussed question of the day. In view of the recent increase in taxes in Highland Park it behooves every taxpayer to clearly understand what prompted our various tax levying bodies to demand increased revenues during a period of depression.

It is hoped that at this meeting a permanent Taxpayers association of this city or township may be organized to be affiliated with other Lake county organizations to carry on the fight against higher taxes. This organization will be strictly non-political, however it will serve as a clearing house where all facts and information pertaining to taxes may be made available to the taxpayer.

Further details and tax news will be available Friday evening.

"Trials of a Hostess" Presented Tuesday Draws Large Crowd

The "Trials of a Hostess," a comedy in three acts presented by the Mothers club of the Y. W. C. A. on Tuesday evening was enjoyed and appreciated by a large group of friends who attended. "Bridget" the Irish maid, played by Mrs. Jesse Sobe, will be long remembered for her humorous character part, which she portrayed in her inimitable style and manner. "Mrs. Montgomery," played by Mrs. John Fay was a gracious and tactful hostess to all of her club members including the doleful and drooping old maid portrayed by Mrs. F. Zimmer, who rendered her original poem "What's the Use," with many sighs and groans. Mrs. John Croke, the staunch adherent on Votes for Women, and Mrs. McCreadie the tactless chatterbox, and Mrs. Caulkins the society lady, all proved that Mrs. Schemmel who directed the play knew how to place the characters to the best advantage.

The Mothers club wishes to thank Miss Margaret Esmiz and Miss Elanore Erickson for their musical members and also Mrs. Katherine Rexford and Miss Ruth Drake for their vocal numbers which helped to make the play the success it was.
