### SAYS FACTS OMITTED IN HAESSLER STORY

#### Letter Declares His Affiliations Communistic in Character

Mrs. Kellogg Speed, regent of the North Shore chapter, Daughters of the American Revolution, and several members of the board of directors, together with Phil Cole, commander of the local America Legion post, endorse this letter, signed by Mrs. Dilling and request its publication.

**Mrs. Dilling's Letter**

Certain facts, interesting to loyal Americans, were omitted in the account given of Mr. Carl Haessler as guest speaker of the Ravinia Woman's club. This account, in the April 7th issue of the "Highland Park Press," stated that Mr. Carl Haessler is managing editor of the Federated Press and that earlier in the same week he had "lectured" at the University of Chicago.

The Chicago Tribune of April 5th said:—

"Nearly 500 students and other persons attended a reputed communist meeting last night in the Kent theater, Kent Chemical Laboratory of the University of Chicago. This is said to be the first time that such a meeting has been permitted on the university premises by university authorities.

"Among the speakers were Prof. Robert Morss Lovett, of the English department; Carl Haessler, a Rhodes scholar and lecturer; a miner, identified only as Mr. Brack.

### "Heart Tag Day" to Be Held Here April 16

Permission has been given by the city council to the Volunteers of America to hold their annual "Heart" tag day in Highland Park on Saturday, April 16.

The affair will be sponsored by Mrs. W. A. Alexander, Mrs. O. L. Olesen, Mrs. J. B. Garnett and other well known civic leaders.

Headquarters will be in the Y. W. C. A. in charge of a local leader.

The Volunteers of America is an organization dedicated over thirty years ago by General Bollington and Mrs. Maud Booth to spiritual work among prisoners and the relief of their off-times-destitute families, "More than 170,000 children have been helped to future good American citizenship through our work" said Mrs. Booth in her recent broadcast.

Invitations to help sell the "Hearts" have been mailed to the girls and boys and—as contest incentives the merchants and theatre manager have offered some very attractive prizes—and movie passes to those who secure the largest amounts for their tags.

The tags will sell for whatever the purchaser is willing to give a quarter dime or half dollar, and the committee hope every one will take this opportunity to help this good work of Maud Booth's as the money is used in this state for children whose fathers are behind prison walls.
