MRS. SPEED REPORTS NATIONAL CONGRESS

Regent North Shore D. A. R.
Chapter at Meeting May 5.
Tells of Convention

The last board meeting of the present administration of the north shore chapter of the Daughters of the American Revolution will be held at 2 p.m. on Thursday, May 5 at the home of Mrs. Richard L. Sandwick, 615 Lincoln avenue.

Mrs. Kellogg Speed, regent, who has just returned from the 41st annual D. A. R. Congress in Washington, reports it was an inspiring week. The Japanese cherry blossoms were in their prime as well as the pink magnolias and many other spring flowers.

There were 4,400 D. A. R. members officially registered, which was considerably more than last year. The incoming national officers were elected without opposition, Mrs. William Russell Magna of Mt. Holy-

Friends Learn with Regret of Sad Death of Former H. P. Man

Friends here of Robert White, formerly for many years a resident of Highland Park, learned with deep regret of his tragic death in Chicago, where he was found in his apartment after shooting himself through the head, according to testimony at the coroner's inquest. He was a loop real estate dealer, with offices at 160 N. LaSalle street.

Mr. White, who was 55 years old, had been in business in Chicago 30 years, a member of the Chicago Real Estate Board since 1911 and chairman of its valuation committee. He was separated from his wife, Mrs. Emma Merigold White, who lives in the Webster hotel with two sons, Edwin, 22 years old, and Sheldon, 18, the Tribune said. A third son, Robert Jr., 25 years old, who was associated with his father in business and who lives at 25 East Walton street, discovered the body when he called to take his father to their offices.

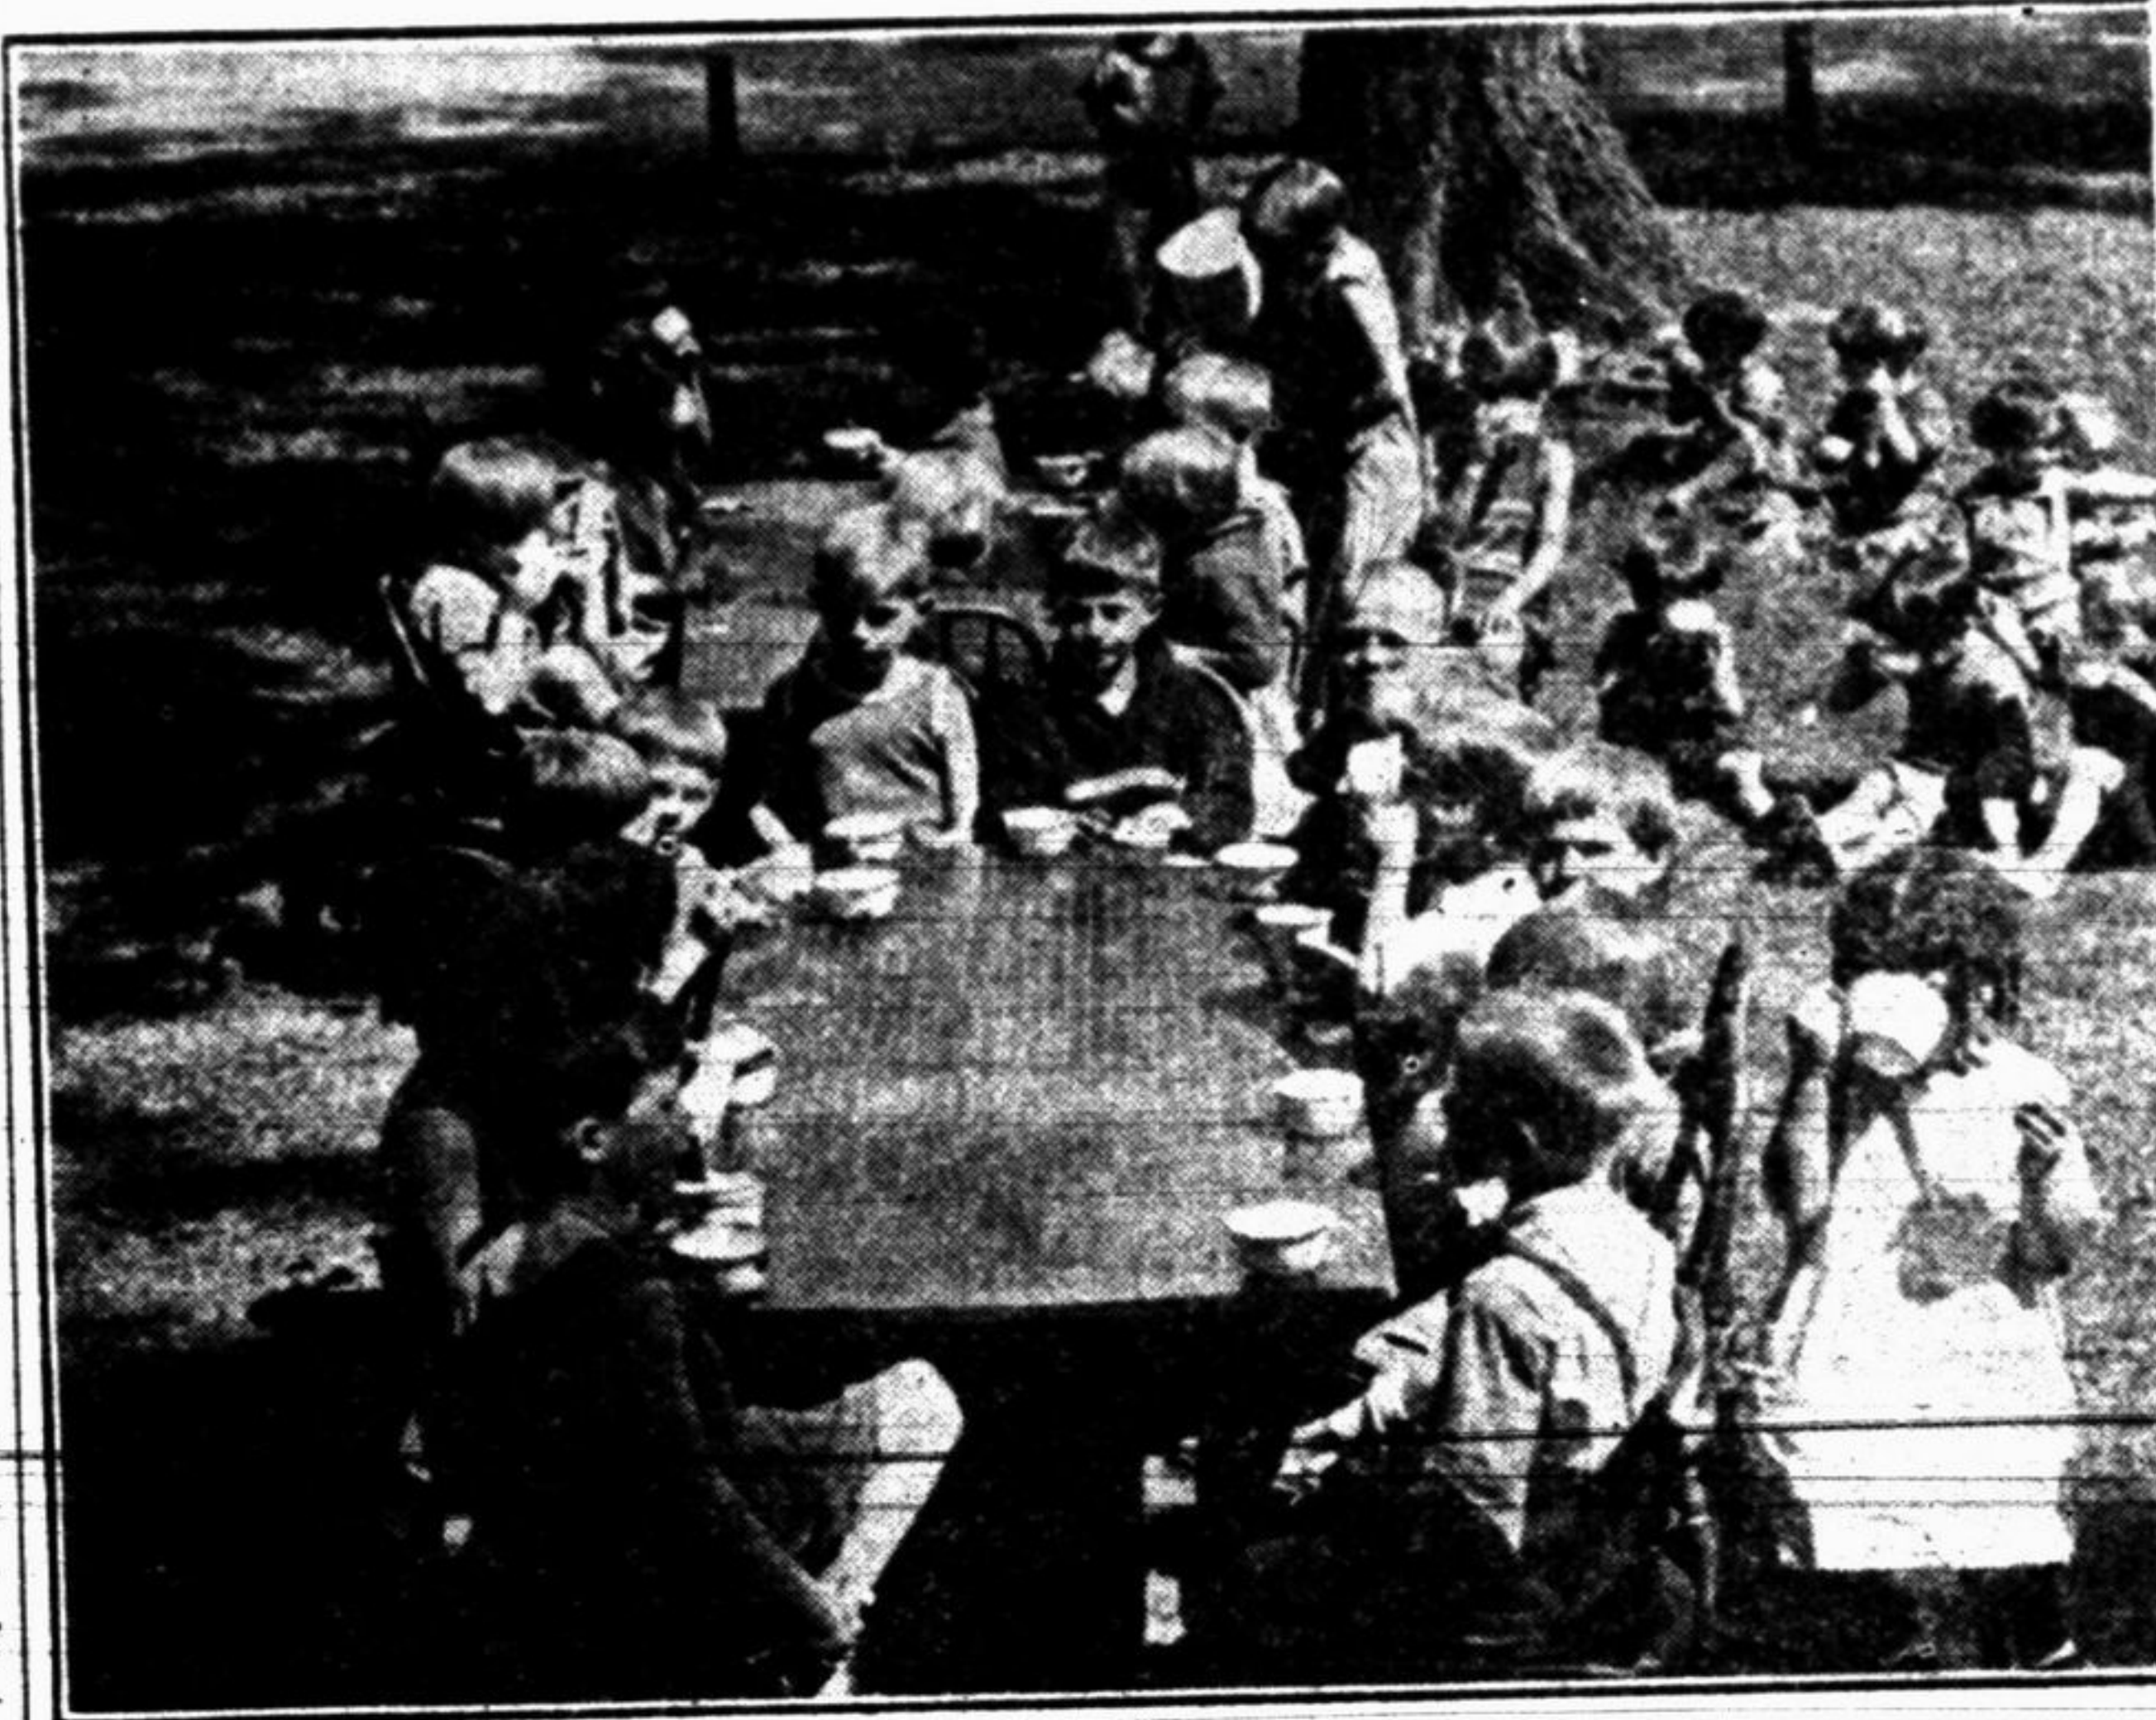

"He was disgusted with the depression," Robert Jr. said at the inquest. "Sometimes he would say 'what's the use?' He had business worries, but the business is sound."

The funeral was held Tuesday, and burial was in Graceland cemetery.

National Music Week Starts May 1; to Be Observed in Chicago

Preparations are being made for Chicago's active participation with 2500 other cities in National Music Week beginning next Sunday, May 1st.

Carleton Smith, radio chairman of National Music Week in Chicago, has planned a gala series of programs to be broadcast over all the local stations. Charles Wakefield Cadman, California composer, famous for his "At Dawning" and his research in Indian music, Margery Maxwell, Marie Morrissey, Alice Mock, Vera de Camp, Mrs. Guy Stuart Bailey, Mrs. John W. Hansel, the DeVries ensemble, and prominent artists visiting in the city will give their services to stimulate interest in American music. The radio programs are in conjunction with north shore club meetings and discussions.

The movement to give more thought to music and its appreciation by setting aside the first week in every May originated in Boise, Idaho, in 1919, and has since become a national event. It has been helpful in gaining recognition for American artists and composers. An especial interest is being taken in this year's programs because it is the bi-centennial of George Washington and the centenary of the composition of "America" which has almost replaced the national anthem in favor.

Holy Name Society Plan Old Time Dance

The regular meeting of the Holy Name society was held last Thursday evening in St. James hall, with a large attendance. Several matters of importance, including the revision of the by-laws, were discussed. The meeting was an intensely interesting one. At the close of the business session refreshments were served.

Wednesday, May 4th, was the date chosen by the committee for the old time party and dance to be given at the St. James hall. Arrangements were made to secure a fine orchestra for the occasion. All members and their friends are urged to attend.

Ravinia Players to Broadcast Tuesday

Next Tuesday evening the Ravinia Players will again broadcast from station WCHI at their regular time, ten-fifteen. The play has not yet been selected, but it will be a comedy. The Players' audiences have shown by their response that they are enjoying these weekly broadcasts and have expressed the hope that they will continue. The group welcomes any comments which their hearers wish to make. Write to them in care of station WCHI, 201 North Wells street, Chicago.

Last Tuesday the versatile Miss Mary Lou Mayo, who has taken many roles in productions of the Players, entered a new field when she directed "The Blue Ghost," a mystery play in three acts. These taking part in this broadcast were: John Stamford, announcer and program director of the station; Royal Arch Gunnison; Mort Haarvig; Dick Hawkins; Guernsey LePelley; and Winston Long. Miss Mary Lou McClernan played the only feminine role.

Besides next Tuesday's broadcast the Players are working on "Peggy," the play which won two cups for them in the recent one-act play contest held by the Community Service. They will present this play in the "Ravinia Village Varieties." Guernsey LePelley has been chosen to play the role of MacDonald, the practical farmer. In this LePelley takes the place left vacant by Ted Osborn, who is now abroad. The others in the cast are: Mary Lou Mayo; Felicite Buhl; Teddy Porthe; Winston Long; John O'Connor; and Donald Vaughan.
