Oriental and Domestic

Your house is not clean if your rugs are not clean. Rugs accumulate more dirt than any other article of furniture in the home, yet ordinary cleaning methods remove only the surface accumulations. The grit and dirt which is pounded into the nap of the rug can only be removed through the use of special equipment such as we have in our rug cleaning department. Our plant is the only one between Chicago and Milwaukee having this equipment. Let us give your rug a SAFE, THOROUGH CLEANING.

**GIRL SCOUT NEWS**  
**To Attend World Council**  
 Mrs. Nicolas F. Brady, chairman of the national board, and Mrs. Arthur O. Choate, first vice-president of the Girl Scouts, have been appointed to represent the United States at the World Conference of Girl Guides and Girl Scouts, to be held at Bueze, Poland, from August 6 to 13 this year. This is the seventh conference of the World Association of the Girl Guides and Girl Scouts, the first having been held at Oxford in 1920, and the last at Foxlease, England, in July 1930. Two delegates represent each of the member countries of the association, which now numbers thirty.

**Girl Scout Leaders**  
 The Girl Scout Leader is in much the same position as the mother of a family, for she is supposed to be at once an encyclopedia of information and a source of strength, comfort and good fun. But, formidable as the task sounds, it is simple, the Girl Scout organization claims, if she has the one indispensable qualification—an interest in the girls themselves. Techniques must be learned, of course, and there are to be acquired. Naturally the more the leader eleven national Girl Scout training schools knows the better, but should she lack the and hundreds of courses, at which these can training recommended, she can still join the girls in the own quest for knowledge. She is not their teacher but simply their chum.

**Leaders' Training at Camp Hickory Hill**  
 At a recent meeting of the Desplaines camp committee it was decided to accept leaders' registration for camp this summer. The request came from several communities so it was decided to extend the invitation to all communities sending girls to Hickory Hill.

An opportunity will be given the leaders to do second and first class work, outdoor games, trailing, outdoor cooking, etc., all of which will be helpful in troop work next fall. They may also join in the many activities enjoyed by the whole camp.

Registrations for Girl Scouts are still being accepted so any Girl Scout who has not already sent in her registration may still do so.

**Great Lakes Regional Conference**  
 Once more the conference is being welcomed at Camp Dellwood on June 8-10, 1932. The conference is for council members, community members, leaders, troop committee members, and friends of Girl Scouting throughout the Great Lakes Region. There will be a Regional Training Course of two weeks immediately following the conference, from June 12-26. Training courses to meet the needs of all who attend will be given a varied program of sports, outdoor activities, and recreation. There will be an opportunity for doing many of the things that leaders have been wanting to do throughout the year. There will be classes in life saving, swimming, and diving, also classes in folk dancing, tap dancing, nature study, tennis and handicraft. There will be plenty of archery and there will be fencing under the 200-year-old sycamore trees that make up the Camp Dellwood Lumberlost Unit. In the evenings there will be singing, dramatics, and informal camp fires.

Further information can be secured by calling Highland Park 964.

**Girl Scout Rally**  
 The Girl Scout rally held on Saturday afternoon last in the auditorium of the Lincoln school was well attended and keenly enjoyed by all who attended. The puppet show given by Miss Lottie Davis and her sister was very lovely and greatly enjoyed by all the Girl Scouts. The name of the show given was "The Enchanted Fountain."

Songs were sung by the Girl Scouts and the Brownies and later refreshments were served. The Lincoln school girls acting as hostesses.

**Troop No. 6**  
 Troop No. 6 held a regular meeting on Thursday evening, April 14, in the auditorium of Ravinia school. The meeting started with the flag ceremony and the pledge of allegiance and the Girl Scout promise. Then there was a paper relay that was lots of fun; then instruction and work on the athletic badge. Taps at 8:30 completed the meeting.

**Troop No. 5**  
 The meeting opened with the flag ceremony and the investing of a tenderfoot scout, Jean Shepherd. Then a judge and jury was elected to try all scouts who arrived late for meeting or who in any other way needed correction. The judge elected was Betty Stein. The jury was composed of the following girls: Dian Ewell, Margaret Burkhardt, Lois Zahn, Joan Holden and Suzanne Holden. Alma Moore was elected troop treasurer.

A small box will be placed in the auditorium each week in which all Girl Scouts

may place notes relative to badges passed or anything else they may wish to learn or tell their captain. The troop is planning a taffy pull and the entertainment committee and the taffy committee had meetings. Patrol subjects: measuring; good night circle and taps completed the meeting.

**First Aid Course**  
 The first aid course is still meeting at the Presbyterian church and is proving most instructive. Parents are welcome to come and visit if they wish.

**Swimming**  
 Swimming each Saturday morning at the high school tank from 10:30 until 11:15. Competent life savers and instructors are always in attendance. Many of the Girl Scouts are trying out for their swimmers' badge.

**Troop No. 7**  
 The meeting of Troop No. 7 was held at Braeside school as usual. We collected dues and then we went out to play. We played baseball. Then we came in and played games with Mr. and Mrs. Copp. After an hour or two we all dressed backwards and played more games with Mr. Copp, while Mrs. Copp was getting dinner. Several of the mothers and fathers came and helped with the dinner. After we had dinner we had moving pictures of the fight between Jack Dempsey and Gene Tunney. Following we had "Felix the Cat." Then we played "Jump the Rope." At eight o'clock we went home after a very happy meeting.—Phyllis Hermann, scribe.

**Deerfield Troop No. 1**  
 There were 22 girls present on Friday at the weekly meeting of Deerfield Girl Scout Troop No. 1 at the Presbyterian church. The first part of the meeting was spent in line formation and drilling, directed by the Rev. Mark J. Andrews. The remainder of the afternoon was spent in playing baseball in Jewett Park. A hike has been planned for May 30.—Jane Todd, scribe.

**Deerfield Troop No. 2**  
 The Girl Scouts of Troop 2 met Monday evening at the Presbyterian church and made May baskets. They will be filled on Saturday with flowers and candy, and will be distributed. A roller skating party has been planned for Monday evening, May 2.—Lois Sturtevant, scribe.

**Deerfield Holy Cross Troop**  
 We continued our meeting, Monday evening, at the Deerfield Holy Cross parish hall with a drill of the letters N, B, and D. We practiced new songs and hemmed the bandages that will be used for first aid work. We closed with the singing of taps.—Adelaide McGuire, scribe.
