Clean-Up Week in Deerfield Is May 9-16

Mayor James J. Hood issued a proclamation recently, authorizing the village to have a clean up week from Monday, May 9 to Monday, May 16 inclusive. The first four days were devoted to picking up refuse from the west side and the last four days will complete the work on the east side. Neither garbage nor ashes are being carried away, as Deerfield has regular collection days weekly for that, but other rubbish is being collected, provided it is in containers on the park ways.
