

Three Mundelein Bank Bandits Plead Guilty, Sentenced To Prison

Michael Yara, who has served two terms in Waupun, Wis., penitentiary, and Edward Bennett, two of the remaining three members arrested for looting the Mundelein State bank, late last week pleaded guilty before Circuit Judge Ralph J. Dady and were sentenced to Joliet penitentiary.

Both received a term of one to ten years for larceny and one year to life for robbery with a dangerous weapon.

They changed their pleas from not guilty after a minor "swap" with State's Attorney A. V. Smith, who consented to nolle pross the charge against them of kidnapping Cashier Milan C. Mott if they would plead guilty to the two remaining charges.

Hallgren Already Sentenced

Edward Hallgren, the third member in custody, pleaded guilty several days previously and received similar sentence. All, probably will be taken to the penitentiary this week.

The search for the fourth member, Floyd "Whitey" Fullbright, who is believed to be the leader of the gang, continued under the direction of J. A. Newell, detective assigned to the case by Col. Smith. His early arrest is expected.

Not All Names of Paupers Need Be Published, Ruling

The Illinois statutes do not require that the names of all paupers receiving township aid be published in newspapers, Attorney General Oscar E. Carlstrom advised State's Attorney Russell O. Hanson of La-Salle county. The attorney general stated that unless the paupers re-

ceive the money directly, their names should not be made public.

Under the law, the person to whom the cash is paid directly, is the person whose name is to be published. This would therefore make it mandatory merely to publish the names of the merchants from whom the pauper supplies were purchased.

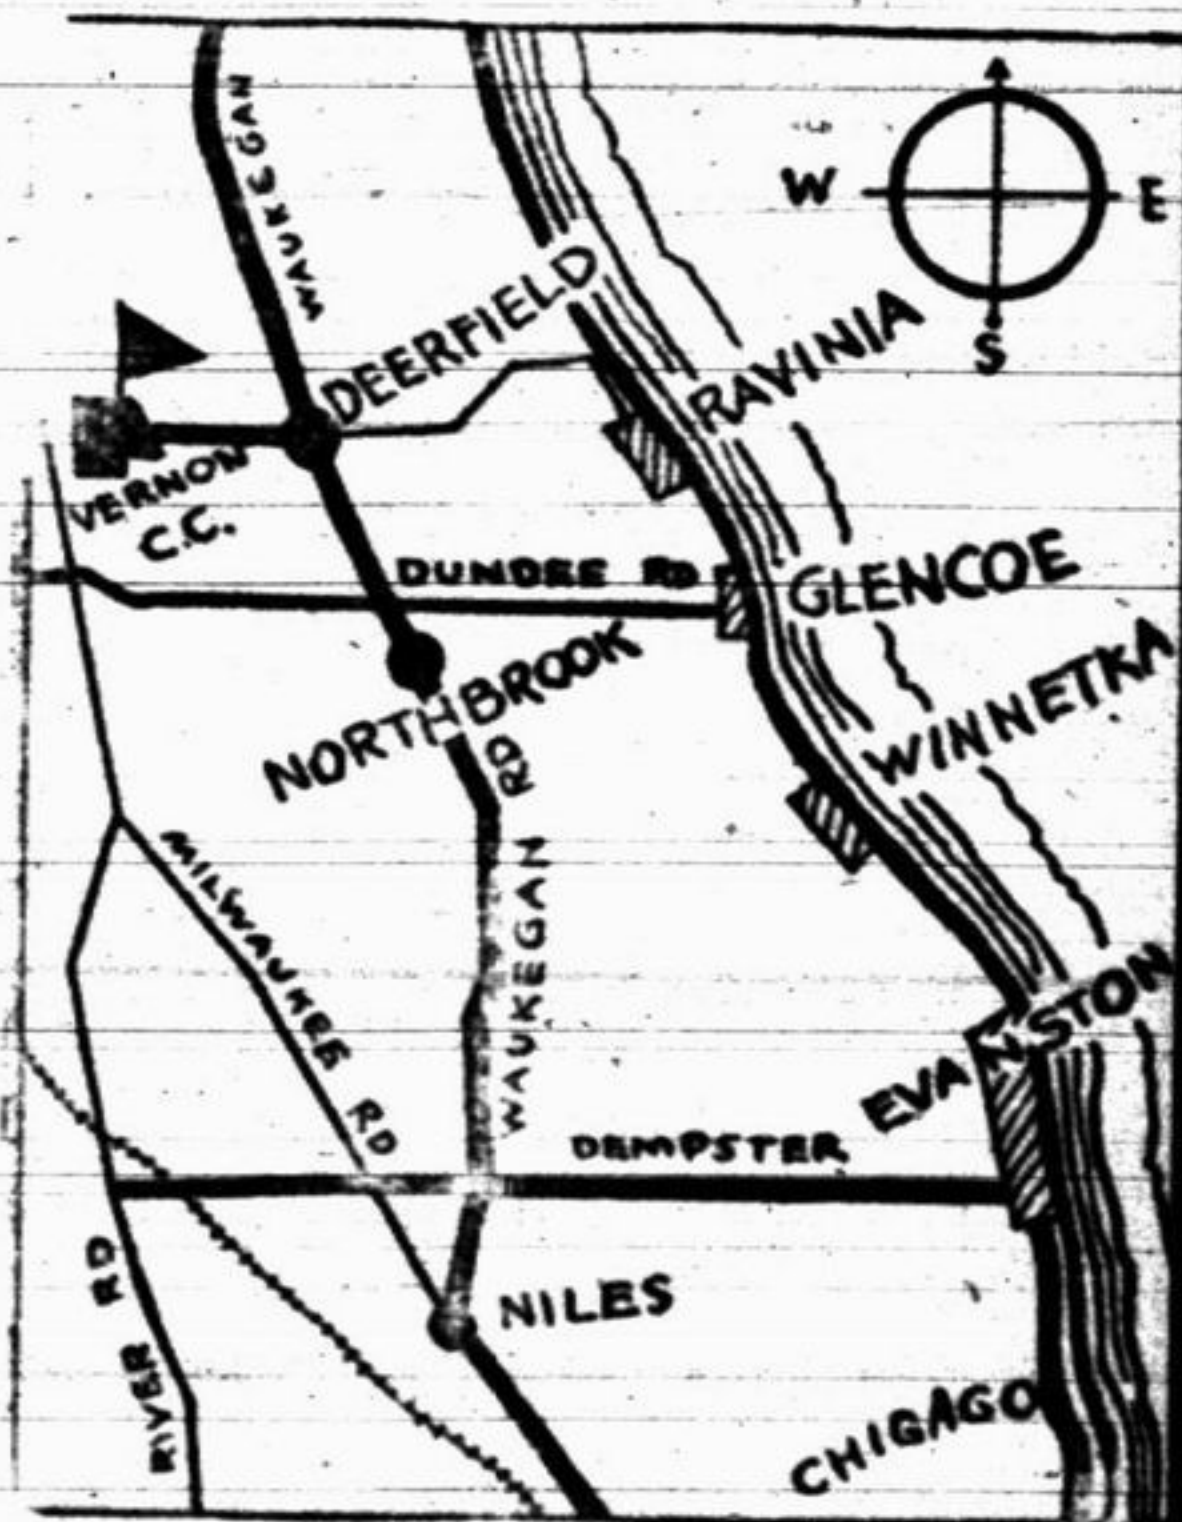

More than 1,000 Lake county dairy farmers comprising the local unit of the Pure Milk Association have started preparations, it was reported today, to resist proposals of Chicago milk distributors to lower wholesale milk prices for a third time in little more than a year.
