Girl Scout News

Girl Scout Picnic
The Girl Scouts of Highland Park and Ravinia are planning to have a picnic on Saturday, May 21, at Dam No. 1, near Wheeling on the Dundee road. Each scout troop will be responsible for the transportation to and from the picnic and each Girl Scout will take her own lunch. An interesting program is being planned for the day. There will be a baseball game between Troop No. 3 and Troop No. 5; also one between Troop No. 1 and Troop No. 6. For those who do not care to watch the game there will be games and sports of other kinds. In case of rain the picnic will have to be postponed to another date.

Swimming
The Girl Scouts will not be swimming at the high school tank on Saturday, May 21, that being the day of the Girl Scout picnic. The following Saturday, May 23, there will be swimming events for the Girl Scouts. Miss McClernan will be in charge and is planning races of different kinds and competitive games between the troops. Each troop will be represented by a team. Be sure and save this date, Girl Scouts!!!

National Hospital Day
National hospital day was observed last Thursday and was a red letter day for the Girl Scouts because on that afternoon they were invited to the hospital to witness a practical demonstration of the child nurse badge. One of the nurses gave instruction in bathing a small baby. The girls got a great deal out of the demonstration and feel extremely grateful for the opportunity to witness such an interesting and helpful demonstration.

First Aid Course
The first aid course being given to the Girl Scouts by Mr. Chas. A. Waite of the North Shore Line, is proving most interesting. It is held each Tuesday evening in the Presbyterian church. The Girl Scouts are working hard for their honor in first class first aid as well as for their badge in that subject. There will be two more meetings before the end of the course.

Troop No. 1
Discussion of badges for first class is intriguing the girls of Troop No. 1 just at present. Last evening some of our examiners were present to go over the badges with the girls and to make plans for the passing of some. Mrs. R. H. Herbst is the examiner for the home nurse. Mrs. R. T. Gray for the housekeeper badge and Mrs. Tennant for the cook's badge. Next Monday evening, May 23, Mrs. Jas. P. Fitzgerald will instruct in child nurse.

Troop 2 and 7
Troop No. 2 enjoyed a supper hike on the beach Wednesday afternoon, May 18th. Troop No. 7 will have a beach supper on Thursday evening, May 19th in Ravinia.

Troop No. 4
Mrs. Franzen took charge of Troop No. 4 last Thursday in the absence of the captain, Mrs. Newman. The girls were taken on an observation walk and then brought back to draw maps including the things they had passed. An interesting bird guessing game was played.

Troop No. 5
May 9: The meeting opened with a flag ceremony after which a baseball captain was elected. Betty Stein was chosen. There were so many girls wanting to go to the hospital for the demonstration in child nurse, on national hospital day that it was necessary to draw straws in order to choose the girls to go.

May 14th. On Saturday afternoon Troop No. 5 had a taffy pull at the Ravinia school. Cecelia Moore, Marjorie Kurtzon, Doris Freeman and Betty Stein were on the taffy making committee and got the taffy ready to pull while the rest of the troop played games until it was ready. Then the girls filed into the kitchen by twos and got their candy to pull. Afterwards the taffy committee cleaned up the kitchen.

May 16. Judging heights and distances and filling out progress cards was the order of procedure at the last meeting. The next meeting will be out of doors. The Girl Scouts will meet on the beach and cook their supper.

Troop 3
On Saturday night, May 14, in the Lincoln school auditorium, Troop 3 held the dancing party that the girls have been looking forward to for so long. Miss Esmiz and her orchestra furnished the music for the evening, the orchestra being roped off by festoons of pink, green and white crepe paper, made by Renee Coghill and her committee. Similar festoons and streamer swung from the light clusters and hung from them and made the large room look very festive. Dancing stunts and games that all could enter into made the minutes fly and no one wanted to go home at 10:45. Ice cream, punch, and cup cakes, some made by the girls themselves, were served during the intermission by Mrs. Rinker and Mr. and Mrs. Pier.
Nature Note: The young flying squirrel that disappeared from Mrs. Walton's cage a long time ago and who has since resisted all traps set for him and all attempts to entice him from his hiding place, could not resist the lure of the above mentioned cup cakes, but crept out from his den whenever he thought there was no one in the kitchen and after eating several samples added to the thrill of the evening by escaping thru the open door.

Represent Auxiliary at Veterans Hospital

Among those who represented the Deerfield American Legion Auxiliary unit at the Veterans hospital on Sunday were Mesdames William Cruickshank, Arthur Bell, Frank Jacobs, Jr., George Jacobs, Dan Hunt and Miss Louise Huhn. The hospital was open in observance of National Hospital week and the Deerfield women poured tea from one until two o'clock that afternoon.
