**Harold Vant Talks on
"Taxes" at Rotary Meet**

Mr. Harold R. Vant, member of the firm of Vant and Selig, realtors, in Deerfield, gave an interesting and instructive talk on "Taxes" at the weekly luncheon of the Deerfield Rotary club, last Thursday, at the Deerfield Ave. Tea room. It was an illustrated lecture pertaining to general taxation and a comparison of various counties, why they were raised and why they should be paid. Mr. Vant was Rotarian of the day.

**Iris Displayed at
Garden Club Meeting**

A flower display, with particular emphasis to iris, was the feature of the June meeting of the Garden Club of Deerfield, last Wednesday, at the home of Mrs. Lewis Ashman of Deerfield avenue. Iris pests and remedies, also iris culture were dis-

cussed very informally by the members.

Reports of committees on the project of the beautification of the grounds of the Deerfield station were given and all work was summed up. The club has devoted the entire winter to this civic improvement and the June meeting completed the work and a detailed report will be given later.

The hostess' arrangement of dark red weigelia branches, with leaves stripped off, placed in a yellow bowl was the unique centerpiece at the table at which Mrs. M. O. Hopkins and Mrs. H. C. Hawes poured. The assisting hostess was Mrs. John Erskine of Woodland Park.

**Scouts Assist with
Beautifying Project**

Boy Scouts of Deerfield Troop 51 will construct four window boxes to be placed on the east side of the Deerfield station. Three will fit around the bay window and a fourth

box, the largest, will be placed south of the bay, along the outside of the women's waiting room. The project is in connection with the beautification of the station ground by the Deerfield Garden club. The boxes will be filled and cared for by the Garden club.

Deerfield Scouts of troops 51 and 52 have erected a bird house and built a rustic bench, in addition to this latest project.
