Polo Field

Sunday, June 26, saw the largest crowd of the year out to see the fast interesting game between Onwentsia and Ft. Sheridan. This was the second of a series of games between these two popular teams. The Onwentsia club won by a score of 8-5, coming up from behind in the last two chukkers. The score was tied at the sixth period, and from then on it was Onwentsia's game. The first game of this series which was played two weeks ago was won by Fort Sheridan with a score of 8-6. This "win" for Onwentsia makes the games one and one, so that the next game which will be played in the near future to decide the championship will be one of unusual interest from start to finish. Announcement of this game will be made in this column at an early date. The lineup included Capt. C. E. Davis, an excellent four goal man who played in many tournaments here last season, and who will be permanently with the Fort Sheridan team. His addition to the Fort Sheridan Polo club adds greatly to its strength, and so before the summer is over, some of the fastest polo in this area will be seen there.

Next Sunday, July 3, has been designated as "Dumaresq Spencer Post No. 145-Highland Park day" at Fort Sheridan. This is a part of the American Legion carnival being

held at Sunset park on July 1-2-3-4. The Legion members are all getting behind this, and a percentage of the sale of tickets is to go to the benefit of the Highland Park hospital. Tickets may be purchased from any Legionnaire or your local merchants or at the booth at the carnival. These cost only \$1 per car no matter how many occupants, and are good for any Sunday polo game at Fort Sheridan this season. The Drum and Bugle Corps from the famous Chippilly Post No. 310 of Chicago, led by Mr. O. G. Hjelte, will be out in all their regalia, and will put on a show at 3:00 p.m. sharp, just before the game. This Drum and Bugle Corps is very well known all over the city, and consists of 45 members. This will add a great deal of color to the occasion. In addition to this the Highland Park Legion Post Drum and Bugle corps will be out. This organization is lead by Mr. Dave Suttle who formerly was with the Chippilly Post Drum and Bugle corps, and will vie with them for the honors. The polo game itself is of great interest as an all North Shore Legion team will battle with the Fort Sheridan Polo club for the honors of the day. This Legion team is made up of stars from the North Shore Polo and Hunt club, and will undoubtedly give the spectators all the thrills they want.

The Misses Sanborn, McAllister and Donnersberger of Highland Park have been taking jumping lessons from Mr. Chalmers who reports wonderful progress.

Tom Chalmers is putting in a small practice polo out at the Glencoe Riding school. Which he says will be available for use this weekend.

Dr. and Mrs. Franklin McLane were the guests of Mr. and Mrs. David Levinson of Highland Park at a riding party at the G & R Stables the last two Sunday mornings. Dr. McLane is at the head of the medical school at the Billings hospital, University of Chicago.

A group of Highland Park equestrians enjoyed an evening ride last Thursday. They started out from the G & R stables and after a delightful two hour ride enjoyed a steak dinner at Bartholemey's at Northbrook.
