*Instead of bothering
with trick guarantees,
phony inducements and
special deals, smart car
owners ask themselves:*

Why buy any
SECOND-CHOICE Tire when
FIRST-CHOICE costs no more?

RIGHT NOW you car-owners are "sitting pretty" . . . You can buy more safe, comfortable, trouble-free mileage for a dollar than in any previous summer . . . You don't have to put up with second-choice tires for reasons of economy, because first-choice tires cost you no more! . . . Goodyear Tires—the kind we sell—are first-choice here, throughout the state, throughout the nation, by more than 2 to 1! . . . They outsell all others not because of any trick guarantees, or phony inducements, or special deals, but simply because they give people the biggest money's worth, and people know it! . . . Don't be argued out of the benefits to be had from the leading tires and our service.
