**Three Members of One
Family Badly Hurt in
Crash on Rand Road**

Three members of one family, a mother and two daughters, are in the Condell Memorial hospital at Libertyville as the result of injuries received last week when a machine in which they were riding was wrecked on Randn road, near Wauconda. They are Mrs. Katherine Shields, Misses Esther and Katherine Shields, her daughters, 5714 S. Sangamon st., Chicago. All have fractures of the pelvis and it is expected that their injuries will keep them here for some time.

The accident happened when their machine, driven by Lawrence Gleason, 52, an employee of the Edward Hines Lumber company of Chicago, was in a head-on collision with a car driven by Thomas Cerney, 38, of Fox River Grove.

The slippery condition of the pavement made driving dangerous, and the two cars were badly wrecked.

Both of the drivers were injured in the wreck, Carney receiving deep scalp wounds and a dislocated shoulder. Gleason was badly cut about the face and head. Another daughter of Mrs. Shields, Margaret, 14 years old, sustained cuts about her face.

**Complete New Bridge
on Wadsworth Road;
For North Shore Line**

Completion of the concrete bridge to carry the tracks of the Chicago North Shore and Milwaukee railroad over the new extension of Wadsworth road, near Zion, was announced last Wednesday by J. R. Blackhall, general manager. When the new extension of this highway from Sheridan road to Green Bay road is completed by the Lake County highway department, a grade crossing over the North Shore line tracks will be eliminated by a subway at this point.

Mr. Blackhall also announced

that work is under way on raising the Bethlehem avenue bridge, in Zion, which spans state highway route No. 173, the Zion-Antioch road. The bridge will be elevated two feet to provide proper clearance in accordance with state requirements. Upon completion of the elevation project, the gap in the pavement under the bridge will be paved, and the detour over which highway traffic is now being routed will be discontinued.
