

### Baby Rides Pony in Horse Show July 9

Catherine Jane Harder, the 13 months old grand child of Mr. and Mrs. Albert Mitchell, won second prize in the "Children's Lead Pony Class" for 25 at Misery Farm at Lake Forest Sunday morning. Mr. Mitchell proudly held his granddaughter on the pony. She was dressed in an adorable brown riding costume and a feather in her hat. The pony was led by the Mitchell's police dog, "Arnold." Mr. Frederic McLaughlin's three year old son won first prize. The Mitchell's other grand child, Junior Easton, rode Tom Coleman's pony and received a ribbon. Little Catherine Jane, who is the daughter of Mr. and Mrs. Allen Harder of Deerfield, is the youngest child to ever win a prize in such a contest.

Those from this vicinity who attended Libby Chase's Horse Show for children at Misery farm, Lake Forest were Mr. and Mrs. Albert Mitchell, Miss Irene Mitchell, Mr. and Mrs. Allen Harder, James and Ruth Lidiker, Fred Coleman and his two sons Tom and Bob, and the two little riders, Catherine Jane Harder and Cassius B. Easton III.

Judges of the little horsemen and horsewomen were Mrs. Niblack, Ben Leslie Behr and Prince Cantacuzene.

### Formulate Plans for Convention Sept. 29

General officers of the Lake County Council of Religious Education met Thursday afternoon at the home of Miss Irene Rockenbach. Officers are Rev. C. Arthur Jevne of Mundelein, Frank R. Sherwood of Lake Villa, H. D. Faxon of Highland Park, and Miss Irene Rockenbach of Deerfield. Plans were made for the annual county convention to be held in Deerfield on September 29. A tentative program was arranged. Luncheon will be served in the Bungalow church and supper at the Presbyterian church.

### Deerfield Rotarians to Hear H. F. Kelley

The Reverend Case of the Methodist church at Glencoe gave an instructive and interesting half hour talk last Thursday noon at the weekly luncheon of the Deerfield Rotary club at the Deerfield Ave. Tea room. E. B. Jordan, the newly elected president, presided. Today's speaker is to be Harry Kelley of Highland Park, delegate to the Seattle International convention, who will give a report of the convention.

### More Flowers Help to Beautify Depot

Two large beds of salvia, donated by Mr. Pottenger of Franken Brothers Nursery, Deerfield, will blossom this fall on either side of the beautiful stone stairway at the C. M. & St. Paul depot grounds in Deerfield and increase the beauty of the landscaped grounds, sponsored by the Garden club of Deerfield. The

man employed by the Milwaukee road to daily care for the grounds has been taken off duty, because of the latest expense cutting program of that railroad, so that Garden club members may have to look after the weeding from now on. A man will cut the grass once a week. Boy Scouts will work on the window boxes for the station windows, as a project this winter, rather than put them up now, when no one is there to keep the flowers watered.

### Annual Carnival in Deerfield July 21-24

The annual carnival of the Holy Cross church, Deerfield, will be held Thursday to Sunday, July 21, 22, 23 and 24 on the parish grounds. A special feature will be the Pot of Gold, to be given away the last night of the carnival. There will be the merry-go-round and ferris wheel for the children, games of skill and many new attractions for everybody.

A roast beef supper will be served by members of the Altar and Rosary society on Saturday and Sunday evenings from 6:00 to 8:00.

The general committee assisting Father Joseph Savage is composed of the following members: Mrs. P. J. Duffy, Mrs. Earl Frost, Mrs. Hubert McGuire and Mrs. Paul M. Dietz.

### Garden Club Will Meet Next Wednesday

The Garden club of Deerfield will meet Wednesday afternoon, July 20, at the home of Mrs. Monroe McKillip, 560 Brier Hill road. Mrs. M. O. Hopkins of Berkley court will be assisting hostess. A paper, "Adventures in Simplicity" by Katherine Beebe, will be read by Mrs. William Aitken of Bannockburn.

**ONLY McILVAINE  
CAN KEEP YOUR FLOORS WARM**

**BURNS 1/4 LESS OIL**

Any oil burner can keep the upper part of your rooms warm—if it burns enough oil. But McIlvaine is the only burner in the world that can keep the air near your floors at the temperature at which your thermostat is set—and burn 1/4 less oil at the same time.

No burner that burns part of the time and is shut off part of the time can prevent the formation of a layer of cold air at the floor. Sometimes this layer is 12 degrees colder than your thermostat reading.

Your radiators or registers are NEVER cold with McIlvaine. They are ALWAYS warm. This is the reason McIlvaine saves you 1/4 of your oil bill. This is why McIlvaine gives you warm floors. Make us prove these statements—and have warm floors at 1/4 less cost. . .
