

Ask NOW about our New LOW Heating Rate

Your heating plant and a
REPUBLIC GAS BURNER

will free you from furnace tending

Lower Prices Save You \$21.50 to \$33

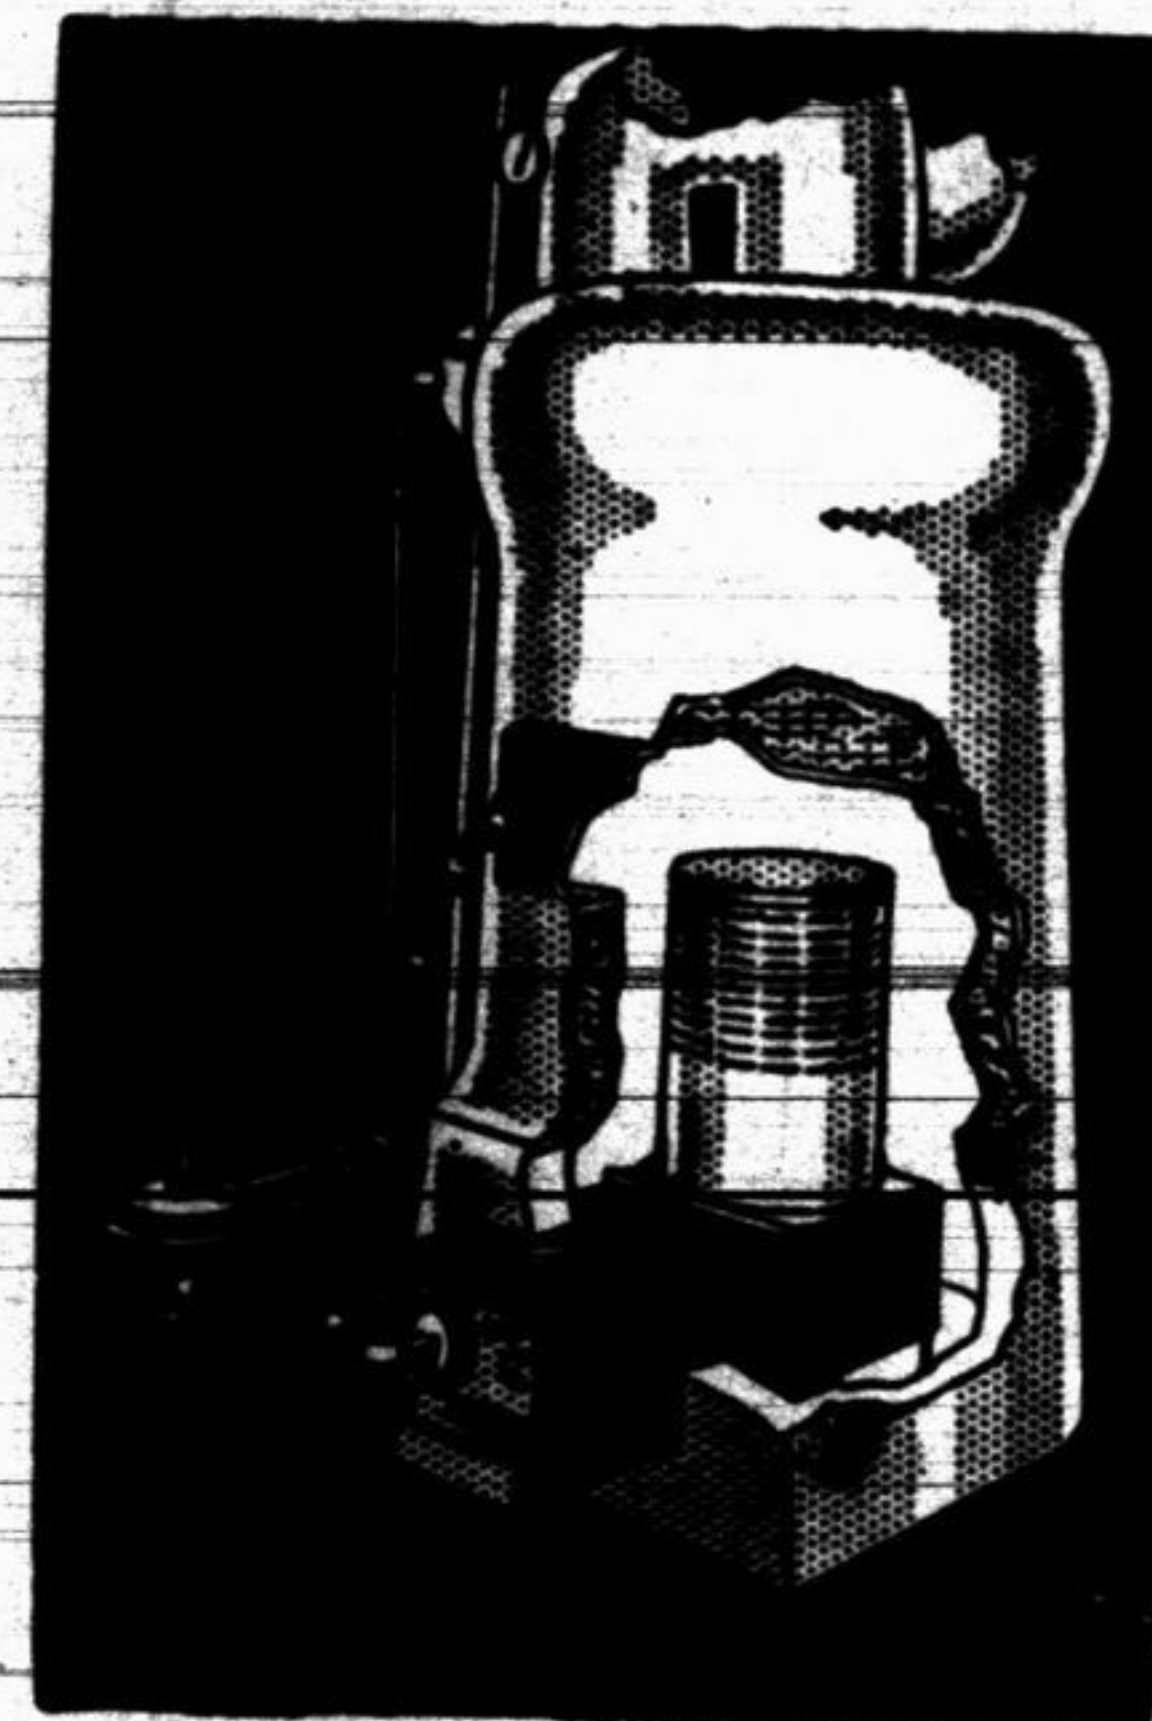

Now . . . while your heating plant is shut down . . . have your method of heating changed so when cold weather comes again your furnace tending will consist only of lighting the GAS Burner in your heating plant. For a limited time, a Republic GAS Burner . . . that *automatically* maintains uniform, healthful temperature in your home . . . is reduced in cost.

For as little as \$193.50, a Republic GAS Burner will be installed in your present heating plant. This special low price includes a room thermostat and controls. There is no other installation expense. No extra equipment to buy to enjoy *fully automatic* GAS heating. Take advantage of this *saving* and have a Republic GAS Burner installed in your heating plant *now*.

You can be assured of effortless GAS heating next winter by making only a \$10.00 down payment. No additional payment need be made until October. Your payments on a Republic GAS Burner may

be extended over as long a period as 24 months.

Savings and liberal terms make it decidedly worthwhile for you to secure complete information *now* on GAS heating. Ask us to send a house heating engineer to inspect your home and give you an accurate estimate. There is no obligation to you. Just telephone or return the coupon below.
