## DOLLAR DAYS HERE ON AUGUST 12-13

### Merchants Preparing To Offer Fine Bargains; Press to Cover Community

Preparations are going forward for the big Dollar Day sales to be held by Highland Park merchants on Friday and Saturday, August 12 and 13. Indications are that these will be the best Dollar Days ever held here.

The Highland Park Press is cooperating with the merchants to make the event a success and next week's issue will carry extensive advertising detailing the numerous splendid values to be offered by the merchants on the two days. The Press will be delivered to every home in Highland Park, Ravinia, Deerfield and Highwood next week, so that all residents of these communities may have equal opportunity to carefully read the advertisements and take advantage of these splendid bargains.

### Commerce Chamber Aids

The Highland Park chamber of commerce is supporting the plan and the dates were determined by its Dollar Day committee, composed of J. L. Werheim, Julian Smith and Sam Fell, it is stated in a bulletin issued from the office of the commerce association.

No effort is being spared by the local merchants participating in this Dollar Days sale to provide the best possible values and the widest possible range of merchandise. In all lines included there will be exceptional bargains. The residents of these communities will have a fine chance to stock up with useful articles at very reasonable prices.

## Capture Suspect in Station Burglary Here

While the agent was absent for a few minutes Friday the North Western railroad station at Highland Park was looted. The robber got only eighteen pennies, since the rest of the money was in a safe.

A few minutes later the alarm was spread, and Officer Degen picked up Frank Bizjak, 1936 Adams street, North Chicago, who answered the description of a man seen loitering around the station. In his pocket were fifteen pennies, two screws, a wrench and a screw-driver.

The agent identified the screws as having been taken from the iron screen over the station windows. Bizjak pleaded not guilty, but became confused under questioning by Chief Edward Moroney.

On Friday evening, at 7:30, the Sunset and Port Clinton groups will present a program at Sunset park. A group of dances will begin the program; these are: Powder Puff dance, Alcibiades, a Skate clog, a Flag drill, the Virginia Reel, Pop Goes the Weasel, Patches, and a Newsboy dance. The dancing is under the direction of Miss Cancie. Prizes will be given for the best costumes.

## Requests Donations Of Flowers for Hospitals

The Highland Park Garden Study club requests flowers for Chicago hospitals and settlements. If they are brought to the Northwestern station tomorrow (Friday) morning, and any other Friday between 7:30 and 9:30 a. m., Miss Louise Van Norden, plant, flower and fruit guild chairman for the club and her assistant, Mrs. Robert Pease, this week, will pack and ship them to Chicago for distribution by other members of the guild.

Fruit, vegetables, fresh or canned, and jams or jellies are also very gratefully received. There is great need for these things this year.

## Highland Park Chess Club Meets Monday Eve

The next meeting of the Highland Park Chess club will be held at the Moraine hotel next Monday night on August 8. The Highland Park team has been challenged to a match by the North Shore Chess club in Wilmette. Werner Schulze, the president, urges all the members to attend as this is the first formal match of the club.

## Roland Pease Gives Fine Talk On Music At H. P. Lions Club

The Highland Park Lions club was favored with an exceptional program at its regular meeting Thursday noon of last week, when Roland Pease, noted singer, gave a very interesting and instructive address on music. He also sang several numbers with accompaniment by his daughter, who is a talented pianist. Miss Pease also gave a very pleasing piano solo. Mr. Pease is an artist of high achievement in musical lines and his wide experience and extensive study have made him an authority on this subject. Hence his talk was especially interesting and was heard with great pleasure by the members present.

## Garden Study Club To Supply Flowers For The Public Library

Probably a larger proportion of the members of this community visit the public library more or less regularly than any other local public building, and for this reason the Highland Park Garden Study club has assumed the delightful duty of keeping the library supplied with flowers during the summer months. This is a part of its service to the community, the members taking turns, week by week, in supplying the flowers.

Mrs. B. J. Goodman is serving this week; Mrs. Karl E. Hobart will take her turn next week. Other members of the community have been bringing flowers from time to time, and every garden owner is requested to supply a bouquet to the library occasionally. It would surely be difficult to find a more charming and appropriate setting for garden flowers than our beautiful public library, or a spot where their loveliness would be appreciated by a greater number of people.

## August Meeting Of Commerce Chamber Next Tuesday Eve

The August meeting and dinner of the Highland Park Chamber of Commerce will be held Tuesday evening, Aug. 9, at the Green Teapot, at 6:30 p. m.

The speaker of the evening will be Mr. W. S. Hay, president of the North Shore Property Owners association, an organization formed to oppose encroachment of truck and through traffic on Sheridan road on the North Shore and to preserve the road's scenic beauties and residential thoroughfare character. Other members of the organization are scheduled to supplement Mr. Hay's remarks. A large attendance of members is expected.

## CLASSY FIELD FOR NORTH SHORE OPEN

### Nationally Known Golfers Coming for Annual Event at Sunset Valley Club

The fifth annual renewal of the North Shore open, scheduled for Monday, Aug. 22, will draw as classy a field as any of its predecessors, to judge from the entry list just announced by the Sunset Valley Golf club. The North Shore open for five years has brought the greatest golfers in the country to Highland Park's dooryard, and has furnished a mid-season tournament popular alike with spectators and players.
