Treasure Hunt

The children of Lincoln playground Saturday morning engaged in a combined treasure hunt and sand-modeling contest. This was judged one of the most enjoyable features of the summer by all the children who participated in it. Bonner Hoffman, acting as the pirate who hid the treasure, went to the beach ahead of the group and hid a huge water melon. The hunt then began, and ended only after prolonged search when Dorothy Rubly and Louis Picchiatti found the treasure simultaneously.

Modeling Contest

In the modeling contest first prize was won by Dorothy Moldaner, who tied with Phyllis Stryker and Grace Phillips. Dorothy's prize-winner was an old English cast, complete with moat, drawbridge and wall.

The other winners built a modern home, with garden and swimming pool. Second prize was won by Louis Picchiatti, John Faulkner and Dorothy Rubly, who built an old castle with adjoining dungeon and connecting tunnel. Ruth McNeil was the winner of third place with a Spanish home, surrounded by a formal garden, and a tennis court on the grounds. Honorable mention was given Betty and Buddy Merfeld, who built a lighthouse with a spiral stair; Helen Picchiatti, Phyllis Buller and Eleanor Richardson, palace and grounds, and Betty Rubly and Kathleen Faulkner constructed a cathedral and grounds. Lincoln won the game in the senior division, 14-9; Port Clinton's nine and under team won, 3-2, and Lincoln's twelves and thirteens won, 11-8. On Friday Sunset played at Ravinia. The Sunset juniors won, 30-14; the Sunset tens and elevens also won, 5-1, and the Ravinia seniors edged out Sunset, 6-5.

On Monday the Ravinia girls defeated Sunset, 25-5, and on Wednesday the Port Clinton girls' team took a game from Lincoln, 17-14. An exhibition game played between West Ridge and Lincoln resulted in a 7-6 victory for Lincoln in the tenth inning, after Ridge had tied up the score in the ninth.

Baseball Field Day

At 6:30 p. m. on Tuesday, August 9, the baseball teams from all playgrounds will gather at Lincoln playground to take part in a baseball tournament. Each playground will send three teams, two boys and one of girls. The games will be five innings in length. The parents of all playground children are cordially invited to attend this event, and are promised a real treat in the line of baseball.

Junior Olympics Meet

On Thursday, August 11th, at 10 a. m., the track stars of all the playgrounds will meet for the junior Olympics of Highland Park. The track and field events will be preceded by a parade of nations. Each playground will represent a nation

competing in the real Olympics at Los Angeles.

Miniature hurdles are being built for one of the feature races. Other races will include the 100-yard run, several dash events, and the regulation field events, broad jump, high jump and shot put. Novelty races will conclude the meet. This will take place at Sunset park 10 a. m., Thursday, August 11.

CARD OF THANKS

Mr. and Mrs. Anton Frauenhoffer of 15 South Green Bay road wish to take this means of expressing their sincere thanks and appreciation to the many friends, relatives and neighbors for their kindness and sympathy shown them during the illness and at the death of their beloved son, Leonard.

Especially to the Rev. F. G. Piepenbrok and the Rev. Karl A. Roth for the consoling and helpful words, the pallbearers, singers, pianist and violinist, the donors of the beautiful flowers, those who loaned their machines and all those who in any way were of assistance in this hour of sorrow.

Send your mower to the Lawn Mower Shop when it needs sharpening — they know their business.

Very often there are sticks, stones, bits of wire, and many other articles on the lawn which the operator does not see and if your lawn mower is not sharpened on machines made for this purpose they will soon ruin the edge and the mower will not cut evenly.

Hand Lawn Mowers, sharpened and adjusted, \$2.00.

Ideal Power Lawn Mowers, sharpened and adjusted, \$4.00 and \$5.00.

Other Power Lawn Mowers sharpened and adjusted, \$6.00.

All machines called for and delivered. All work guaranteed.
