OFFICE OF MANAGER
 ROBERT W. LARKE, MGR.

THE MORAINE HOTEL
 HIGHLAND PARK
 ILLINOIS

To Residents
 of the North Shore:

Last winter several families in Highland Park closed their houses and moved to the Moraine Hotel, and, from the fact that they have reserved their suites for the coming winter, we conclude that the experiment was a satisfactory one. These guests find that it is more economical to live in the hotel during the cold months than to maintain a fairly large sized house.

Our winter rates are very low and we can offer guests all the comforts and conveniences of a fine large country estate with the assurance of agreeable, congenial company. The well known superior service of the Moraine is maintained all winter and the menu prices have been greatly reduced and it occurs to us that a winter arrangement of this kind might appeal to you.

Should you be interested I will be glad to call upon you for a personal interview, although I would suggest a call from you when I can show you the advantages we have to offer.

Yours very truly,
 R. W. Larke,
 Manager.
