Young Men's Club Team Enters Semi-Finals In Lake Co. Tournament

By defeating the North Chicago A. C. last Sunday, the Highland Park Young Men's club entered the semi-finals of the Lake County Amateur Championship tournament.

The game was a pitchers battle from start to finish, with George Yearly finally winning out over Morrissey, the out of town twirler.

Highland Park jumped into the lead in the first inning on a home run by "Solly" Thurston, that took a bad bounce over the right fielders head. Both teams scored a run in the third frame, Rogan drove in Thurston after the latter had walked and went to second on a wild pitch. Jones tripled and scored on a hit by Morrissey to give the visitors their first tally.

North Chicago jumped into the lead in the fifth inning when they scored two runs on hits by Morrissey, Day and Pratt.

Thurston, Rogan and Segart combined hits to score two more runs for Highland Park and put them into the lead, four to three.

Yearly had to pitch beautiful ball to get out of a hole in the visitors half of the eighth. There were runners on second and third with nobody out but not a run crossed the plate.

Thurston, Segart and Rogan led the attack for Highland Park with two hits apiece, while Pratt and Morrissey garnered two each for North Chicago.

Next Sunday the Young Men's club plays the Nick Keller A. C. in the semi-finals of the tournament. This game will be played at Waukegan and all the local fans are looking forward to a most heated contest and will make the trip to the game to lend moral support to the club and help them into the finals of this snappy tournament.

Alcyon Announces Photoplays of Merit

The Alcyon announces a most attractive bargain "Early-Bird" price of 25c starting tonight. This price will be available at the following times: Week days—6:30 to 7:00 p. m.; Sundays—1:45 to 3:30 p. m.; Saturdays, 1:45 to 6:30 p. m. Increased patronage has made this reduction in admission possible and the management is passing on its good fortune to the public. Children under 14 years of age are always 10c.

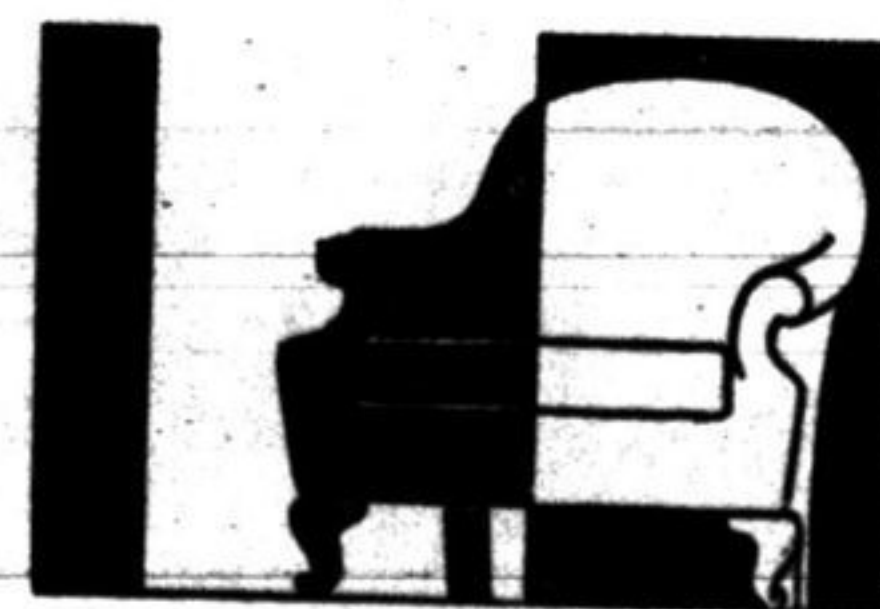

In spite of the lessened admission the Alcyon program for the coming week appears to be the best in quite some time. For today and tomorrow two fine feature photoplays are being offered. Conrad Nagel and Doris Kenyon head the cast of "The Man Called Back," which is rich in dramatic appeal. The other feature is an unusual portrayal of the frozen north, "Igloo," with an all-Eskimo cast and locale.

"Mystery Ranch" with George O'Brien and "Sign of the Four" with an all-star company comprise the program for Saturday only. Both of these are splendid shows for the entire family. On Saturday afternoon the newest chapter of "Heroes of the West" will be shown.

For Sunday, Monday, and Tuesday, the Alcyon will play one of the outstanding double feature bills of the year in "Rebecca of Sunnybrook Farm" and "Madame Racketeer." Both of these provide a wealth of entertainment for both young and old. Marian Nixon and Ralph Bellamy are featured in "Rebecca," and Alison Skipworth and Richard Bennett in "Madame Racketeer."

On Wednesday and Thursday, September 21 and 22, the Alcyon offers one of the most talked-about plays, "What Price Hollywood," starring Constance Bennett and Lowell Sherman; also "Week End Marriage," with Loretta Young and the popular George Brent. Surely the above line-up of shows is inviting and should make the Alcyon a busy theatre for the next week.
