SUBURBAN BUILDING INCREASES IN AUGUST

Most Towns Reporting Show Some Gains; Improvement Over July Report

A gain of 91 per cent in building permits issued last month in the Chicago suburban region is certainly a "bright spot" in the business situation. In contrast with the deep gloom of the July figures it stands out like a beam from a light house on a desolate coast. Of the 48 towns reporting August figures, 25 or over half, show substantial percentage gains. It must be admitted, however that the bulk of the gain in dollars is supplied by two communities only, Geneva and Villa Park.

In commenting on the July total, \$262,001, the smallest amount of building ever recorded by the Straus survey, the hope was expressed that these figures represented the darkness just before the dawn, which proverbially is the murkiest of all the night. That the August total reached \$499,323, or nearly a half million, indicates the hope may have been well founded.

At the beginning of what we expect to be the fall building season, it may be of interest to consider what the year thus far has accomplished. The total suburban figures from January to August inclusive amount to only \$3,232,397, which is less than July alone produced last year and only a little better than January, 1931. The total for the year thus far is less than one-sixth of the 1931 sum for the same period, which was \$19,484,048. In other words, building thus far this year has shown an 83 per cent loss. Aug., 1932, compared with Aug., 1931, also shows a large loss, nearly 55 per cent. But the fact that so many of the communities made definite progress in August lends reason to the hope that the tide may have turned.

In percentage gains of August over July Geneva leads with 31,586 per cent, so far outranking all other percentage gains that there is no need for comparison. This is explained by a jump from \$350 in July to \$110,900 in Aug. Other communities show percentage gains as follows: Aurora, 35 per cent; Calumet City, 225 per cent; Cicero 377 per cent; Elgin, 143 per cent; Elmwood Park, 152 per cent; Glencoe, 90 per cent; Glen Ellyn, 481 per cent; Harvey, 239 per cent; Highland Park, 22 per cent; Kenilworth, 358 per cent; LaGrange, 21 per cent; Lake Forest, 767 per cent; Lombard, 40 per cent; Oak Park, 1012 per cent; Park Ridge, 1030 per cent; River Forest, 32 per cent; St. Charles, 254 per cent; Western Springs, 75 per cent; West Chicago, 683 per cent; Wilmette, 647 per cent; Winnetka, 347 per cent; East Chicago, 298 per cent and Hammond, 41 per cent.

Comparative Figures

Evanston	44,500	115,700	51,500
Glencoe	475	4,000	250
Highland Park	12,300	56,901	10,055
Kenilworth	1,100	750	240
Lake Forest	18,022	28,728	2,079
Libertyville	no report	8,240	no report
North Chicago	550		5,565
Waukegan	6,100	50,150	8,075
Wilmette	8,730	69,950	900
Winnetka	4,475	16,4308	1,000

Highwood Indians Undefeated Football Team, Book Games

Playing for the championship of Highwood, the Highwood Indians defeated the Shamrocks, of the same city, in a double header Sunday, Sept. 11. The Indians won the first game 3 to 2, with Castelari pitching, and took the second 2 to 0.

Johnny Artis pitched the second game, allowing the Shamrocks only three hits while he struck out nineteen. The last game he pitched against the Shamrocks he only struck out seventeen. This is the second successive shutout that Artis has pitched. On Labor Day Artis beat the K of L from Waukegan 1 to 0. In this game he struck out thirteen and only allowed two hits.

In the first game of the double header both teams were held scoreless until the Indians broke it up in the fourth when they scored all their runs. They collected four hits in this inning, one a triple by Baruffin, and scored three runs. The Shamrocks came back in the fifth and made their bid for runs when they collected two. A single and two doubles was the result of their efforts.

The second game was a bit tighter since both teams were scoreless until the sixth inning. In this inning the Indians scored their first run on a hit helped along with an error and a long fly. They scored another run in the eighth, which made the score 2 to 0 in favor of the Indians and thus the game ended.

As for the Shamrocks offense, only two men were able to get hits off the fine pitching of Artis. A. Lenzini got two out of four and pinch-hitter Hinderberg got the third hit when he batted for Nardini, who had a crippled hand.

Nield's Team Champs of Park Board Soft Ball League Series

The end of the Park Board Soft Ball league finds the team representing Nield's Sport Shop the unquestioned champions. By defeating the Ramblers 10-5 and 11-2 in the play-off series they showed their supremacy without doubt.

The Nield's team, strengthened by the return of several of its regular players, were to much for the Ramblers, who after playing terrific ball to win the second round, seemed lost on the diamond.

Most interest has been shown in the league this season both by the players and by the spectators. Over one hundred boys participated in the games this season and it is hoped that next year many more can be taken care of.

Deerfield P. T. A. To Meet Next Friday

The Parent-Teachers association of the Deerfield grammar school will meet Friday afternoon, Sept. 23, at the school auditorium. It will be a reception for welcoming the teaching staff back to the school.

CHURCH MAY RUN AS INDEPENDENT

Statement Says He Will Do So If Deprived of Nomination by Recount

Ralph E. Church will be entered as an independent candidate for congress in the Tenth Congressional district, should technical decisions deprive him of the Republican nomination in the recount case now in the Circuit court. This was determined by voters of Evanston, Wilmette, Glencoe, Kenilworth and Winnetka last week, who are insisting that the voters' nomination shall prevail, says a statement from the Church headquarters.

The petitions are now in circulation all over the Tenth district. Mr. Church himself was not aware of the movement. When notified he said he could not express an opinion. He seemed pleased that the voters were standing so staunchly behind him, but said he would make no statement while this matter was in court and would continue his silence.

Petitions in Circulation

Attorney Harold Ickes of Winnetka told one of the "regret meetings" convened by Evanston citizens that the independent petitions were already in circulation in Winnetka, Wilmette, Glencoe and Kenilworth. This meeting appointed a committee and decided to aggressively circulate the petitions in Evanston, Glencoe, Northfield, Niles and other cities in the district. The same meeting adopted a resolution of regret that 321 innocent Evanston voters had been disfranchised by the court at James Simpson Jr.'s request. This referred to the disqualification of voters in the third precinct of the seventh ward, Evanston. Catherine Waugh McCulloch, prominent Evanston social worker, attorney and democrat said there was nothing irregular in her duties performed by her son as a sworn in juror at the April primaries are asking that 55 ballots be the well attended regret meeting went so far as to be willing to go to jail, if necessary, to make known forcibly their feeling in the court taking away their vote because of a situation entirely beyond their control.

The Simpson-Church recount proceedings are still before Circuit Court Judge Thomas J. Lynch. It is not believed a decision will be reached for at least two weeks, possibly longer.

Ralph Church's lead with the ballots as the best evidence is now over 100 votes. James Simpson's technical lead has been whittled down to less than 15 votes. Church attorneys are asking that 55 ballots be counted for Church or 68 thrown out for Simpson. Simpson has had these 68 ballots counted by the court; ballots identical in character have been thrown out for Church. These ballots are from precincts all over the district, from North avenue in Chicago on the south to the Wisconsin line in Lake county on the north.

The missing non-registered voters' affidavits are not missing at all. Much of the thunder roared by Simpson's attorneys in asking for the disqualification of 5333 votes has

been taken away from the Simpson side by the location of these affidavits by Church attorneys. It also softens the vilification against certain precincts in the district by Simpson attorneys. Had Judge Lynch signed the court orders presented by Simpson attorneys, without the investigation asked for and made by the Church side, it would have made him ridiculous with the affidavits reposing safely in the ballot boxes. Church has continually maintained the affidavits were not necessary. It is the contention of this side that once the ballots are accepted by a judge of election and placed in the ballot box that unless fraud is proven the ballot cannot be attacked.

Mrs. Le Roy Scully Passes Away After Lingering Illness

Mrs. Hazel Easton Scully died Thursday evening, following a six weeks illness due to a blood clot on the brain. Mrs. Scully, wife of Le Roy Scully, and a bride of three years, was only 23 years old.

Hazel Easton, a daughter of Albert Easton and the late Jessie Hole Easton, was born and reared in Deerfield. Her grandfather, Philip Hole was a pioneer of Deerfield, coming here in 1842.

Hazel was a graduate of the Deerfield grammar school and the Deerfield-Shield high school. She was very talented and took principal character parts in many of the amateur dramatic events.

Her mother, Mrs. Easton, passed away in 1920.

Before her marriage she had worked in the local post office, as assistant to her uncle, Postmaster F. H. Meyer, and had also been employed in the telephone office. When the American Legion conducted a beauty contest four years ago, Hazel was awarded highest honors, because of her slender fragile beauty and for her very sweet disposition.

Surviving are her husband, Le Roy Scully; her father, Albert Easton; two sisters, Mrs. Fred Protine (Susie), Mrs. Walter Page (Gladys); three brothers, Richard, David, and Cassius B. Easton II, and a host of friends and relatives.

Funeral services were held Sunday, Sept. 11, at the Walter Page home, 944 Osterman avenue, and at the Deerfield Presbyterian church. Interment was in Ridgewood. Rev. John Howe, former pastor of the Mount Clare Congregational church, and a religious adviser of the Juvenile court in Chicago, officiated at the services. Rev. Howe is a friend of the Scully family, having baptized three of the Philip Scully Sr. children and officiated at the wedding of one of their daughters, Mr. and Mrs. C. V. Stiner.

The bereaved husband and family have the sympathy of the entire community in the loss of this young woman.

William Gloich, Chicago, got too close to an enraged chimpanzee chained up at the Max Behme resort at Fox Lake last week and the animal inflicted a serious wound on his left arm that severed an artery.
