

H. P. WOMAN'S CLUB YEAR TO BE NOTABLE

(Continued from page 3)

to be free to all club members, and a small fee will be charged to non-members.

Aside from this course, there are plans for several additional Tuesday morning lectures on such topics as "Interior Decorating," "Rugs, etc., and perhaps some classes in cooking, an exhibit of member's handwork, or a fashion show. If there is suf-

ficient demand among club members, there will be French classes again as in former seasons.

Social Service Dept.

Mrs. E. T. R. Murfey, chairman of the Social Service department, reports that the first major activity of the department will be a Tag Day to provide milk for Highland Park babies. This event is scheduled for the last week in October, and further announcement will be made later. The funds raised last February for this purpose, are now entirely exhausted, and it is necessary to repeat the effort in order that babies in our own vicinity may have milk during the winter.

The second event will probably be the Philanthropy Dance, which will be held on the Friday following Thanksgiving, in November. The proceeds of this dance will be divided among the five committees of the department, and used in various philanthropic enterprises.

The committees actively at work in this department are as follows: Child Welfare — chairman, Mrs. Lee Gatewood.

Americanization—chairman, Mrs. Warren E. Danley.

Civics — chairman, Mrs. A. P. Snite.

Public Welfare—chairman, Mrs. Roger S. Vail.

Co-operation with War veterans, Mrs. A. M. Lowrie.

Fine Arts Dept.

Mrs. Henry B. Clark, chairman. The drama group, with Mrs. Wm. L. Winters as chairman, is planning group study of the history and development of the drama from its earliest forms to the modern theatre as we find it today. There will also be a group formed to study theatrical sets and lighting, and to do active construction of stage scenery and settings. This group will stage the plays produced by the department during the winter.

These drama classes will be open to any club members interested, and those in charge hope for a large enrollment to insure a successful and interesting year.

The Book Review committee is in charge of Mrs. Caryl Cody Pfanstiehl. They plan to meet on the third Monday afternoon of each month, at 2:45, to talk over together some of the best things that are being written. At their first meeting, Mrs. Henry Holt Hilton of Chicago, former president of the Chicago Woman's club, will give a talk entitled "Books Without Words." Mrs. Hilton is an unusually interesting speaker with much to say that is stimulating, and the group is fortunate in having her as a guest speaker for their opening meeting.

The first regular discussion hour will take place in December. A small part of each meeting will be given to reviewing the new poetry under the leadership of Miss Barbara Sincere. All members of the club are invited to join in these meetings, which will be held in private homes unless the group becomes too large. In that event, the

meetings will be held in the club house.

Miss Anne O'Brien is chairman of the Art committee, which has had several meetings to discuss their plans. One interesting feature of their program is to be the continuation of the Sunday afternoon Art teas, which proved so popular last year.
