

Local and Personal of Deerfield

Mrs. Virginia Hicks has been quite ill.

Mr. and Mrs. Hjalmar Swanson visited friends and relatives in Chicago this past week-end.

Mrs. Martha C. Love, Mildred Love Gunckel, Mrs. Berry Devine and son Norbit and their house guest, Miss Margaret Ludlow of Wilmette visited Mrs. Julia A. Carroll of Old Mill road, West Lake Forest on Sunday.

William H. Voas of Wilmette was a guest on Thursday evening at the home of Mrs. M. Whitcomb.

A second robbery in Bannockburn within the past two weeks occurred last Wednesday when about \$4,000 worth of rugs and clothing were stolen from the William Aitken home.

Dona Jean Rose Schmidt, infant daughter of Mr. and Mrs. Paul Schmidt (Lillie Mae Saltenberger) of Chicago, was baptized Sunday at St. Paul's Evangelical church with Rev. F. G. Piepenbrok officiating. Rose S. Herchenroder acted as sponsor for her niece who was born September 12, 1932.

The L. L. L. club met Tuesday evening at St. Paul's church. Plans were formulated for their Hallowe'en party. Members of the Tri C society will meet next Tuesday evening at the church and will also discuss their party. The two groups of young people will have separate parties during the week preceding Hallowe'en.

Deerfield Unit, American Legion Auxiliary, will meet Monday evening, Oct. 17, at the home of Mrs. Charles Hatch, Deerfield avenue, just west of Waukegan road. Mrs. Dan Hunt, president, will at that time announce her committee appointments for the coming year, and a full attendance is desired.

Wm. Cruickshank New Legion Commander

In the presence of a large group of representatives from both organizations, the new offices of Deerfield Post No. 738, the American Legion, and Deerfield Unit No. 733, American Legion Auxiliary, were installed Monday evening, Oct. 10, at a joint meeting held in the Masonic temple.

Commander A. G. Klemp called the meeting to order, and presented the gavel to Mrs. Dan Hunt, president of the Auxiliary, who introduced the installing officers, Mrs. Mieczynski, past director of the Eighth district, and Chapeau of the 8 and 40, and Mrs. William Kelly, of North Chicago unit, installing sergeant-at-arms. Using the beautiful official ritual, Mrs. Mieczynski installed the following officers: Mrs. Dan Hunt, president; Mrs. Frank Jacobs, Jr., first vice-president; Mrs. Wm. Cruickshank, second vice-president; Mrs. George Jacobs, treasurer; Mrs. Wm. Cruickshank, secretary; Miss Louise Huhn, chaplain; Mrs. LeRoy Meyers, sergeant-at-arms; and Mrs. Carl Scheer, historian.

Mrs. Hunt, in well-chosen words, expressed her appreciation for the co-operation given her in the past year, with the hope for its continuation, and called on Mrs. Mieczynski, who extended to Deerfield unit mem-

bers an invitation to membership in the 8 and 40, the Auxiliary organization corresponding to the 40 and 8 in the Legion.

Commander Klemp then introduced Eighth District Commander Leonard A. Hook, who impressively installed into office the following comrades: Commander, Wm. Cruickshank; Senior vice-commander, W. A. Tennermann; Junior vice-commander, Philip Scully, Jr.; adjutant, W. K. Hout; finance officer, H. A. Oendorf; chaplain, A. R. Schneider; historian, Russell Potterton; and Carl Scheer, sergeant-at-arms.

Wielding the gavel for the first time, Commander Cruickshank immediately won the confidence and admiration of the assemblage, with his friendly informality, as he introduced the two honored guests of the occasion, Eighth District Com-

mander, L. A. Hook, who outlined the expectations of the district in the coming year's program; and Department Senior Vice-Commander, C. C. Kapschull, who gave a very splendid talk on the significance and responsibility of membership in the American Legion.

Following the conclusion of the ceremonies, the members of the unit served delicious refreshments.

Quilt Exhibit Held Thursday a Success

The quilt and hooked rug exhibit sponsored by Circle One at an all-day meeting of the Dorcas Society last Thursday at the Deerfield Presbyterian church was a decided success and was well attended. About thirty beautiful quilts, one made in

1846 near Bloomington, Ind., and many modern ones were on display; also lovely hooked rugs and samplers.

Two heirlooms, hand-carded and hand-woven spreads, were exhibited by their owners, Mrs. E. J. Ginter and Mrs. M. O. Hopkins.

Mrs. G. A. Willen and Mrs. M. O. Hopkins, assisted by other members, had charge of the quilts and Mrs. George Pettis presided in the kitchen.

Circle One, of which Mrs. Carl Stadler is chairman, appreciates the interest shown in their exhibit and at their luncheon.
