

### Capt. Kidd's Pirates Defeat Lucky Strikes

Captain Kidd's Pirates defeated Bill Bromstedt's Strike Bowling team by a score of 2154 pins to 2056, in their weekly Monday night bowling match at the Majestic Bowling Alleys. The Lucky Strike team consists of Beatty, Claghorn, Bromstedt, Trude, and Friss, while the Pirates team consists of Gage, Easton, Kidd, Chaffey, and Le Vally.

The Highland Park Business Men's Bowling league will begin next Wednesday. An organization meeting will be held tomorrow night (Friday) at the Majestic Alleys. Ladies are invited to bowl every Friday night as Fridays have been set aside as Ladies Nights by the management.

The Holy Name society of Deerfield Bowling team is in full swing and the standings will be announced in a later issue of the Press.

#### HAVE YOU A HOBBY?

Have you a hobby—something to play with and enjoy in your spare time something—which you can really work at and develop as you choose, something different from that of any other girl? If so, you know the pleasure of being "different." And if you want some good ideas for making hobby books and choosing a hobby, come to the next Girl Reserve meeting at the YWCA. Whether you choose poetry, dogs, careers, stars, flowers, trees, travel, athletics, sketching, kodaking, pictures, or books as your pet hobby, you will find some new ideas and thoughts about it there.

The Girl Reserves are going to choose hobbies, make hobby books, and exhibit them at a hobby show sometime after Christmas just to show what they can do, and how different they can be.

#### RINKEYDINKS

The Rinkeydinks, most of whom are in high school this year, had a peanut party and made taffy apples at the "Y" last Friday evening. They have chosen Fridays from seven to eight o'clock as the times for their meetings and are holding their first business meeting with their adviser, Miss Ethel Skidmore, at the YWCA on Oct. 14

and are planning to bring as many new girls as possible.

#### SUNSHINERS

Not just girls of the fifth, sixth, seventh, and eighth grades can be girl reserves, but second, third, and fourth graders make just as good ones in their own Sunshine groups. They have as their motto "I will look up, laugh, and love." On Thursday afternoon all girls of Elm Place and Green Bay schools who would like to be Sunshiners are invited to a party at the "Y."

The girls of oKta-de-awa GGirl Reserves, who are sophomores in high school this year are having an auto party at the "Y" Friday night at 7:30. Every "old girl" is going to bring a new member.

#### MEMBERSHIP DRIVE

The Girl Reserves have been re-organizing and planning a big membership drive next week in every school. One day will be "tag day" and all the Girl Reserves of last year will wear Blue Triangle Tags and be ready to pin a tag on any girl who wishes to join this year.

Each Girl Reserve group is divided into two teams and each is trying to secure the most new members.

Girl Reserves draw a large number of girls to their ranks, because they have a program of both work and play of such nature that it may all be classed as recreation. The ability to make play out of work is the secret of the success of many projects.

### Ask Residents to Save Soap & Candles

Have you any used candles which you are about to discard? If so, send them to the Deerfield Grammar school, where they will be turned over to Mrs. Lewis Ashman for Erie chapel. An urgent request has come for candles and used bits of soap for the destitute people being cared for by Erie chapel in Chicago. Without the necessary money for food, these people are unable to buy soap.

Candles are in demand for the many unfortunates whose gas and electric lights have been shut off, for use for lighting and cooking purposes.

Send candles or soap any day to the Deerfield school, or directly to Mrs. Lewis Ashman, one door east of the school on Deerfield avenue.
