dents, with positively NO CHAIN STORE CONNECTIONS*

**FEW CHANGES MADE
IN EVENING SCHOOL**

"Although many townships have discontinued their evening schools due to the stringency of funds, our high school board is convinced that the benefit that the people derive from attending evening school classes is sufficient justification for expenditure of funds for that purpose," explained Mr. Schneider last Monday evening.

As they believe, however, that those attending should share a part of the expense," Mr. Schneider went on to say, "they are requiring each student to pay the registration fee of three dollars which this year is not refundable.

A large percentage of the enrollment consists of people who have been here year after year. This merely goes to prove that they believe that the time is well spent and they profit greatly by attending the different classes," stated Mr. Schneider.

Not as many registered Monday night as was expected, but perhaps it was due to the bad weather or the fact that the three dollars is not refunded. The subjects offered this year are the same as last year with the exception of French, Spanish, and Hygiene.

Mr. Floyd is taking Mr. Peel's place in teaching gym. Mr. Eiker is teaching math in place of Mr. Davitt. Mr. Davitt is replacing Mr. Zipoy in teaching bookkeeping.

More members are needed to fill out the men's gym classes. They meet twice a week to swim or exercise in the gym. The same fee of three dollars is required.

The women's gym class is popular, but with more participants the class could meet twice a week. Registration nights are Monday and Wednesday.

**ROBERT HAMNER DIES
FRIDAY, OCTOBER 14,
AFTER LONG ILLNESS**

Robert Hamner died at his home in Bannockburn Friday after a serious illness of several weeks. Robert, who was nineteen years old, lived with his parents, Mr. and Mrs. E. J. Ginter.

He attended Cornell as a freshman last year and had transferred to Purdue, planning to enter this year as a sophomore. He came to Deerfield after attending the Elm Place grammar school.

"Bob was one of the most promising students who ever graduated from Deerfield-Shields," said Mr. Sandwick yesterday.

Robert was very well-liked by his schoolmates and had a high scholastic record. While at Deerfield he was a councilor, an active member of the track team, and a member of the band. Also, during his senior year, he was a member of the Annual board and of the National Honor society.

As a member of the band, he played the baritone. In his last year, at the District and State Solo contests, he was considered by the judges an excellent player.

The funeral was held at his home Sunday afternoon, October 16. The burial was at Elkhart, Indiana.
