mands. This measure has also been endorsed by the league.

### Must Be Registered

"In order to vote you must be registered," says the league, "and in order to have your vote counted you must mark your ballot correctly. The intersection of your cross must be well within the circle or square beside your man or party. It is wisest to place your cross before each of your candidates' names whether you split your ticket or not. If you make a mistake and give the wrong candidates the benefit of your vote, do not erase. If you do, your ballot will be thrown out and not counted. Take the spoiled ballot back to the election judge and ask for a new one. As a good taxpayer you have paid for as many ballots as you may need."

The YWCA has been buzzing with activity this week, tags all over the place, girls stringing them, and other starting out from the Y to take them around to the schools. And they were FREE tags, too, but really signified a great deal, for every girl who wore one showed her desire to be a loyal, true member of the Girl Reserves.

the most discriminating critics. Her voice has a rich vibrant quality with tremendous range.

Her selections showed her marked interpretive ability and her audience was especially pleased with "Cara Nome" from Rigoletti which showed her operatic ability and "The Luxembourg Gardens" by Manning, which displayed a smooth velvety quality of tone and a difficult sustaining power. Mrs. Marie Hammer of Ravinia, who is an accomplished pianist, accompanied Miss Garden.

### Delightful Afternoon

Altogether, it was an unusually delightful afternoon and the program chairman, Mrs. A. B. Tanner, and her committee, are to be congratulated upon its success.

The luncheon was prepared and served by members of the philanthropy committee and the house committee. It was simple and delicious and in excellent taste, served in a most efficient manner.

Instead of the regular year book this season, the club decided to curtail expenses by a simple folder announcing programs, lists of committee members and club members. This folder has been the work of Mrs. Gordon Cook, who with her committee planned and arranged a charming piece of work. The folder is printed on soft orange toned paper and has on its cover a lovely drawing of the approach to the Village House done by Hazel Crowe Ewell.

Small Boy: "Well, did you ever try to cheer anybody up that's just had five bananas, two hot dogs and seven ice cream cones?"—Hot Sands.
