YOUNG MEN'S CLUB DEFEATS HIGHWOOD

Beat Indians 38 to 0 in Last
Sunday's Game; Chicago
Team Here Nov. 30

The Young Men's club powerful
aggregation of gridders rung up
another victory last Sunday by ad-
ministering a crushing defeat to the
Highwood Indians by a score of 38
to 0 before the largest crowd so
far this season. Football fans from
both cities, accustomed to seeing
their respective teams engaged in
one of the old time hectic battles,
were greatly disappointed as the
Young Men's club team ran rough-
shod over the Indians and proved to
be a team capable of withstanding
stronger opposition.

Considerable difficulty is being
experienced in bringing travelling
teams of the 175 to 185 pound class
to the local gridiron owing to the
desirability of outside heavyweight
teams to play on their own grounds
for financial reasons. However,
every effort is being made to fur-
nish stronger contention in the

ice.

Offers Fine Tribute to Republican Party

The following tribute to the re-
publican party is contributed by Dr.
W. J. Shedd, 47 S. St. Johns ave.:
"The Republican Party—its mem-
ories are too sacred, its principles
are too righteous and too enduring,
its enemies from without or within."
and too lasting, its record is too
grand, its need to the country is too
great, its leadership and its mem-
bership are too patriotic and too filled
with hope for the country, for it
to be destroyed by the assaults of
its enemies from without or within."

fant Welfare society at the home of
Mrs. Edwin Johnson, 168 Central

D. A. R. Better Films Committee Review

Pictures at the Alcyon this week
offer good acting, beautiful scenery
and good fun.

"Divorce in the Family," Thurs-
day, Oct. 27, and Friday, Oct. 28,
with Jackie Cooper, Lewis Stone,
and Conrad Nagel, is a fine bit of
work by Jackie as the unhappy son
of divorced parents. "Congorilla"
by Mr. and Mrs. Martin Johnson on
Saturday, Oct. 29, gives us wonder-
ful scenery on the Congo. It is an
interesting picture of animal and
native life. "Horsefeathers" by the
four Marx Brothers on Sunday,
Monday, Tuesday, is a typical Marx
brothers picture, full of fast and
furious horseplay, as well as their
peculiar type of humor. "American
Madness" on Wednesday, Nov. 2,
with Walter Huston and Pat O'-
Brien is a masterpiece. It concerns
banking and mob hysteria. It is
clean and strong, and suitable for
all.

Annual Open House Is Largely Attended

A jolly good time was had by
more than 100 parents and teachers
who attended the annual open house
of the Ravinia P.T.A. at the village
house last Friday night. Dancing,
ping pong and bridge proved popu-
lar entertainment for both specta-
tors and participants. The music,
donated by the North Shore Talking
Machine company, added much zest
to the party. Receipts totalled far
more than the committee anticipated
and will spent on much needed play-
ground equipment for the school.

School Tax Increase in Dist. 107 Defeated in Election Saturday

District 107 school board leaders
will meet this week to consider
what retrenchments will be neces-
sary because of the voters' refusal
to approve a 30 cent increase in
the school tax.

The increase was voted down, 759
to 551, at a special election Satur-
day, which saw a record turnout of
voters. The polls were open from
noon until 7 o'clock.

Defeat of the increase means
elimination of domestic science, phy-
sical education, manual training
and music courses, according to
Howell Murray, president of School
District No. 107.

Opposition to the tax increase was
led by the Deerfield Township Tax-
payers' association, while the Par-
ent-Teacher association favored the
boost.

all three floors of the gym and in-
dustrial arts building at Deerfield-
Shields high school, for the student
benefit fund.

As a result of the carnival it
is hoped enough money will be
raised so that at least seventy-
five students may be helped to
remain in school for the remain-
der of the year.

The students will receive one
dollar a week for washing black-
boards and assisting the teachers
with their work.

For the money you will pay for
for your own amusement and en-
tertainment at the carnival Satur-
