# CHARITY CARNIVAL AT HIGH SCHOOL SATDY.

(Continued from page 5)

some part in the carnival. Miss Rinkenberger is in charge of the affair and she promises many new and interesting features.

The carnival is to be an afternoon and evening of fun and thrills for young and old alike. There are to be games for very young people, for older young people, and for adults. Everyone in the vicinity is invited to spend several hours of real enjoyment.

On the concession floor there will be games and entertainment to suit every one's taste. A "Bingo" stand will be arranged by Mr. Thurston, assisted by Miss Lasswell, Mr. Burwell, and Miss Beckmire. Mr. Floyd, assisted by Miss Whiteman, will manage the Race Horse ball. A fish pond is to be run by Miss Read and Miss Johnson. "Bucketball," for those who like basketball, will be in charge of Miss Thompson and Miss Rodenbeck. Miss McMartin has the game of shuttle cock. Shuffle board is Miss Mills' part. "Hook 'em," a game of rings, is in charge of Miss Weldin, assisted by Miss Hansen and Mr. Ballard. Mr. Lindenmeyer and Mr. McNutt are sponsoring a game of "Basket." "Pop Eye," who seems to be quite a favorite with Deerfield students, is to be run by Mr. Davitt and Mr. Wright.

Portraits of anyone for 25 cents by the Sloan sisters are to be Miss Whiteman and Mrs. Reichelt's specialty.

An even more horrible chamber of horrors is planned by Mr. Einbecker this year. If last year's was good, this year's promises to be even better.

Nail driving will be Mr. Bolle and Mr. Richardson's contribution to the carnival. Mr. Nelson and Mrs. Shaver will hold a tortoise race and there will be many more features.

An informal dance is being held Saturday evening, Oct. 29, at the Ravinia school, by the Ravinia Woman's club. Excellent music has been procured and refreshments will be served. A nominal admission fee will be charged.

## SOCIAL SERVICE

Don't forget the bakery sale each Saturday morning at the Social Service headquarters, old city hall, Mrs. Albert Snite, chairman of the civics committee of the Highland Park Woman's club is in charge. She and her helpers are there to serve you from 9 a.m. to 1 p.m. The prices are reasonable and the food is good. If you are pleased you can leave special orders that will be gladly filled.

Mrs. Snite is getting this work well organized. The number of women who can bake each week must be limited according to the sales. Many women wishing to bake are disappointed. Let us make these sales greater, so more women may have this means of helping their families and you will get your value received.

William Dooley, chairman of the local Red Cross committee, has secured for the Social Service goods from the national Red Cross to be made into children's garments, 4 to 14 years, small boy suits, and baby clothes. The sewing will start next week in the upstairs rooms at Social Service. Three women will be paid as overseers by the Social Service, two days each per week. The women coming to sew will be given the garments on which they sew provided it is well finished and must be approved by the overseer. They will bring their own lunch and hot coffee will be furnished by Social Service. Most of these lunches will be very meager. Perhaps there are those who would like to help in this way.

There are other ways the public may help with this work. Can you loan a sewing machine or volunteer as a helper? It will be difficult for one woman to oversee and help from eight to ten women.

The baskets in the local stores have been a wonderful help. The writer of this article was in Social Service one Saturday morning when the report of one family was brought in. There were four small children in the family and not one thing in the house to eat. Their Sunday dinner was made up almost entirely from the goods left in the local store baskets. Last week one person brought in a dozen cans of salmon and how they were appreciated!

The articles most needed are: coffee, baked beans, canned milk, sugar, potatoes and rice. One man brought a large package of spaghetti. It has been given out all week by the small bag-full.

And now is the opportunity to use the baskets in Garnett's and Smith's stores. Won't you put in those baskets, thimbles, thread (nos. 60 or 70) scissors and bias tape?

Two families were moved out of their houses and their goods set on the street last week. Some aid was given by Social Service.

Six kerosene lamps were furnished to homes having no light; five wood stoves and one kerosene stove were given to families.

The special need for this week is stockings for boys and girls of school age. Please put in baskets in local stores.

Thanks for your help and generosity, but the job is not finished. There are many hungry and needy in our community.

## Community Ladies Gym Classes in Progress

Ladies of the community—your gym class is now meeting regularly every Tuesday evening at promptly 7:45 p.m. It meets at the Ravinia community gymnasium; and calisthenics, volleyball, gymnastic dancing and group games will be featured.

The leader of the class is Mr. George Scheuchenpflug known by many people as Mr. X. He is a former KYW radio "Setting Up Exercise" physical director.

You are invited to join this class and get in on the fun and exercise.

## Start Older Boys Basketball Class

Starting Tuesday evening November 1st at 7 p.m. the older boys who live in the neighborhood of Lincoln school will begin basketball practice and play. After several weeks practice play a Lincoln Community Basketball league will be formed.

All boys who want to join this class are invited to attend the meeting next Tuesday. Bring your gym shoes. Mr. Ray Cox will again be the director of this class.

The class will be sponsored by Community Service of Highland Park Inc.

## Fall Festival Nov. 4-5 at Odd Fellows Hall

Zion Lutheran church is busy making plans and preparations for their annual fall festival that will take place at the Odd Fellows hall Nov. 4 and 5. The Ladies' Aid will serve a chicken dinner on Friday evening from 5:30 to 8:00. The young people are doing their bit in dressing dolls and making confections. Of course the men of the congregation are contributing their share.

There will be plenty of attractions and a very good way in spending a pleasant evening among a host of friends.

## Holy Name Society Forms Bowling Team

The regular meeting of the Saint James Holy Name society was held last Thursday evening and was largely attended. The organization of this year's bowling league was discussed and it was decided to bowl every Friday evening at 9 p.m. in the Majestic alley in Highland Park. All members interested are urged to be present this Friday evening for the second league meeting.

**Hold Play Nov. 15**  
The public is asked to remember Tuesday, Nov. 15 as the date chosen by the Women of the Moose, for the home talent play which promises to be most humorous. Tickets may be procured from the members. Don't forget to reserve that night for a lot of fun.

# YOUNG MEN'S CLUB DEFEATS HIGHWOOD

(Continued from page 5)

forthcoming battles.

The game last Sunday was practically decided within the first few minutes of play. Bartelman had just made first down on the Indian's 15-yard line when fleet footed Rogan made a dash around right end for H. P.'s first touchdown. Rogan and Parker continued their strong offensive tactics after the next kickoff and soon had the ball on Highwood's 5-yard line from where the latter plowed over for H. P.'s second touchdown as the quarter ended. Score 12-0.

The heavyweights are scheduled to play the Oscar Johnson's Boosters of Chicago. This team has defeated Melrose Park and River Forest this season and furnished a complete upset to the strong eleven from Maywood who, incidentally, rang up a total of 39 consecutive victories before losing to the Johnson's Boosters. Last Sunday the Maywood eleven defeated the Berwyn Legion Parrots reputed to be one of the finest amateur football teams in the middle west.

The lightweights will play Deerfield next Sunday as a curtain raiser to the heavyweight game. Both games will be played at the high school field beginning at 1 p.m. Many fans are missing some mighty good football by not getting there in time to see the lightweights in action.

Today there are new uses for Evergreens, new colors, new shapes, new styles. Evergreens have become a symbol of the up-to-date home grounds.
