### Burglar Raids Store at Grass Lake, Report

After going to the trouble of burglarizing the Thorne store at Grass Lake Oct. 21, the burglar suffered qualms of conscience last week and returned the \$100 in currency.

Will Burke, manager of the store, reported that he received a money order for \$100 in an envelope posted in Chicago. The note in it read as follows:

"I stole your money and now I don't feel so good. I send it back to you. Please forgive me."

There was no signature.

In reporting the burglary to Sheriff Lester Tiffany, Burke said that the burglar pried open a window in the store and took the money in the cash register, and also located a stack of bills hidden in a box.

The \$100 was as good as gone, as Deputy Sheriff Russell McBride, in making the investigation, failed to recover a clue.

### Rev. H. G. Hedlund Is Armistice Speaker for Highwood Post

Evans-Watkins Post, American Legion, of Highwood, will hold an Armistice day program at the general offices of the Chicago North Shore and Milwaukee railroad in

Highwood at 11 o'clock on Friday of next week, Armistice day.

Post Commander Dave Carlson has secured the Rev. Henry G. Hedlund, of Highwood, as speaker for the occasion. Music and a firing squad will be provided by Fort Sheridan.

Mr. Carlson says, "These arrangements have been made in the interest of the public and all ex-service men in this locality who may wish to attend an Armistice day ceremony of this kind are invited. Rev. Hedlund is a very prominent speaker, and the program will be pleasing."

### Waukegan Schools May Get Aid from R.F.C., According to Report

The Reconstruction Finance Corporation may bring aid to the Waukegan public school system to solve a financial crisis which at present threatens to bring payless paydays for the entire educational staff.

Both school boards meeting in a joint session last week voted unanimously to make application to the federal finance corporation for a loan and Secretary John E. Reardon was named to confer with the officials of the organization at once, and to take such steps as may be necessary to complete arrangements for a loan if it is possible to get one.

Secretary Reardon stated that Charles N. Steele president of the First National bank, will make arrangements for such a conference. He added that officers and directors of the bank have done and will continue to do everything possible to aid both boards in financing the public schools in Waukegan.
