# So economical and so easy!

## SPECIAL TERMS ON THOR WASHERS FOR LIMITED TIME

A down payment of only \$2.50 will put one of these new Thor electric washers in your home—at once. You can pay the balance "Little by Little"—only \$4.10 a month. (Cash price is \$69.50.) A big week's washing costs little more than \$1—even while you are still paying for the machine.

What a saving! And it's wonderfully easy to wash with a Thor. Agitator action rubs clothes clean, gently but firmly, without preliminary soaking. Your hands hardly touch the hot sudsy water. A Lovell wringer gets clothes ready for the line. Let us demonstrate how you can do an average week's washing in two short hours.

## ALSO SPECIAL TERMS ON CONLON AND THOR IRONERS

If your ironing now takes six hours, you can cut it down to two hours—and sit down while you're doing it. Automatic ironers do a remarkable job of ironing—better than most people can do by hand—with shirts and fussy pieces as well as flat things. For a limited time you can buy either the Conlon ironer (pictured) or the Thor Ironer (same type) for only \$2.50 down—only \$4.10 a month. (Cash price on both models is \$69.50.) Call us for a demonstration.
