(Continued from page 2)

Olson will present an accordion solo. Mary, Martha, and Ruben will contribute a special number. In addition there will be a ladies' and a men's quartet.

This talented group are the ten children of Anna and Olaf Olson of Sweden. All were born and reared in St. Aby, Ostergotland, Sweden. In their early teens the two oldest children, Alma and David, came to relatives in the United States about 25 years ago. Since that time, the others have followed, Robert, the youngest having come but three years ago. At the present time all of them have their homes in this vicinity. Alma (Mrs. Erland Borg) and Anna live in Lake Forest; David, John, Gust, and Ruben in Highwood; Ellen (Mrs. Sandberg), Robert, Mary, and Martha in Highland Park.

"Come to hear and enjoy this unusual program next Saturday," is the invitation of the church. "It will be a musical treat, an event long to be remembered. The Friendship circle of the church, sponsors of this program, invites everyone. There will be no admission charge, but a free-will offering will be taken to help the treasury of the church."

**Beautiful Flowers at Bahr's Greenhouses**

All those of our readers interested in the beautiful flowers will find it well worth their while to visit Mr. Bahr's new range of greenhouses located on Ridge road, just south of West Park avenue. Some of his many prize winning chrysanthemums are coming into bloom from now on, in one of the large houses are a lot of over 600 plants of Mr. Bahr's new white chrysanthemums "Snow Queen" with some of the flowers measuring over 8 inches across on five foot long stems, all of these flowers would be fit for exhibition, but unfortunately there will be no show in Chicago this fall.

In going through the greenhouses you will find a large lemon tree full of fruit; two long benches of Calla lilies, beautiful carnations, golden marguerities, buddleias, stocks, pansies, forget-me-nots, calendulas, snapdragons, freesias, stevias, begonias, primroses and African violet plants.

Mr. Bahr informs us that for those finding it inconvenient to get to the greenhouses, by calling at the Flower Shop, Laurel avenue, one block west of the depot, an automobile and chauffeur is at their disposal.

The fall exhibition of painting of the North Shore Art league (including everything done in the media of oil and water-color) and sculpture, will open Sunday afternoon, Nov. 13, at 3 o'clock at the Community house, Winnetka. Tea will be served during the afternoon.

Members are invited to exhibit a maximum of two pieces. Exhibits may be left in the studio at the Winnetka Community house during the week of Nov. 6, not later than Friday, Nov. 11.

The prints and handicrafts exhibition will be held in January.

At the exhibition Nov. 13, Miss Incaaze Robinson will talk on modern art.

The Art league has sponsored a number of classes, and anyone desiring to join any of these groups may communicate with the group chairman, Kate Bacon Bond, 988 Ash street, Winnetka. The program of instruction is as follows:

On Monday, the sculpture group will meet at 9 o'clock, under the direction of the eminent sculptor James Cady Ewell.

On Tuesdays and Wednesdays, from 9 to 12, classes will be held in still life and portraiture, with Allen E. Phillbrick conducting. Mr. Phillbrick is an artist of long standing, and an instructor at the Chicago Art institute.

On Thursdays and Fridays will be held the group meeting in painting and creative composition. The instructor is Hazel C. Ewell, former instructor at the Art institute.

On Friday evenings will be held the group meetings of men and women for painting from the model.

On Saturday mornings, groups for juniors and high school students will meet. The instructors are Mrs. Frank C. Peyraud, an outstanding portrait painter; Edna Johansen, painter; and Mrs. Frederick Dagenhart, children's instructor.

All of these classes are in full operation, but there are still places for those who would like to join any of these groups.

**Tag Day Nets \$400**

The tag day to provide funds to purchase milk for Highland Park babies proved to be a success last Wednesday, when \$400 was realized for this purpose. This success was due to the efforts of Mrs. Roger S. Vail, and her committee—Mrs. Arthur Wood, Mrs. Everett L. Easton, Mrs. Malcolm Vail, Mrs. John Bray, and Mrs. Harold Van Steenderen.

The committee wishes to thank the club members and friends who did the tagging, and also each one who contributed to the very considerable total.

This was a project of the Social Service department of the Highland Park Woman's club, of which Mrs. E. T. R. Murfey is chairman.
