in this country. Her debut was also made here, — that sensational and sudden New York appearance which brought her fame overnight. Gian-nini is coming to Winnetka for a recital on Dec. 5 at New Trier high school auditorium.

She has appeared with practically all the major orchestras in this country in addition to giving solo recitals from Canada to Havana and from the Atlantic to the Pacific. She has made five tours of Europe where she has sung in recital, in opera and with symphony orchestras. She has also made a tour of Australia and New Zealand. Some idea of her tremendous popularity can be gained from the record number of appear-ances she has made during the space of a year and a half. In that period she made a total of 114 operatic and concert appearances in three contin-ents. Of these 37 appearances were in Europe, 27 in America, 39 in Aus-tralia, 10 in New Zealand and one in Hawaii.
